A Little Breathing Room:

A Little Breathing Room Richard Graber,1978-01-01 A teenage boy growing up in Minnesota in 1935 is frustrated in his attempts to contend with his manipulative family

Breathing Room Leeana Tankersley,2014-10-07 Leeana Tankersley like so many of us began to feel overwhelmed by life And like so many of us she assumed she was struggling not because life is inherently difficult but because she was personally failing in some way She knows firsthand what it is to bully yourself to put yourself down for not being able to keep it all together to compare yourself to others and find yourself lacking But she also discovered that all of the hurt and hostility and pain only add up to a life of holding your breath What if we could exhale and let go Breathing Room is her beautiful release of self condemnation her discovery of the rest that comes when we give ourselves some space to breathe She draws readers in through shared experiences of perfectionism jealousy and striving and shows them how to let go how to be radically on their own team and how to experience the broad grace that Christ has offered all of us Anyone who has been trying to do it all who has been putting on a strong front and yet secretly struggling will find in Breathing Room both a trusted friend and a generous Savior
