Plato, Aeterna Press

A Love Not Of This Time:

The Household Book of Poetry Charles Anderson Dana, 1873 **Phaedrus** Plato, Aeterna Press, 2015-09-01 THE Phaedrus is closely connected with the Symposium and may be regarded either as introducing or following it The two Dialogues together contain the whole philosophy of Plato on the nature of love which in the Republic and in the later writings of Plato is only introduced playfully or as a figure of speech But in the Phaedrus and Symposium love and philosophy join hands and one is an aspect of the other The spiritual and emotional part is elevated into the ideal to which in the Symposium mankind are described as looking forward and which in the Phaedrus as well as in the Phaedo they are seeking to recover from a former state of existence Whether the chief subject of the Dialogue is love or rhetoric or the union of the two or the relation of philosophy to love and to art in general and to the human soul will be hereafter considered Aeterna Press
