NURSERY RHYMES AND TALES

THEIR ORIGIN AND HISTORY

BY

HENRY BETT, M.A.

SOME nursery rhymes and tales are of great historic interest, and some are still more interesting because they are prehistoric—older than the oldest literature in the world. This is the first book to give an account of these odd and romantic origins. It should be fascinating to the general reader, to the educationist, to the folklorist, and to thoughtful children.

[A History of Nursery Rhymes](#) Percy B. Green, 1899 [A History of Nursery Rhymes](#) Percy B. Green, 1989 [The Secret History of Nursery Rhymes](#) Linda Alchin, 2013-04 Many nursery rhymes are believed to be associated with actual events in history and include references to murder torture betrayal greed and to tyrants and royalty The words were remembered but their secret histories were forgotten Political satire was cleverly disguised in the wording of some seemingly innocent nursery rhymes Although some of the most popular Nursery Rhymes are rooted in English history they are told to children throughout the English speaking world Old English Nursery Rhymes were taken to America with the settlers from England They were then spread across Commonwealth countries including Canada Australia and New Zealand **“A” History of Nursery Rhymes** Percy B. Green,2015-04-29 Without advancing any theory touching the progression of the mother s song to her babe other than declaring lullabies to be about as old as babies a statement which recalls to mind an old story entitled The Owl s Advice to an Inquisitive Cat O cat said the sage owl of the legend to pass life agreeably most of all you need a philosophy you and I indeed enjoy many things in common especially night air and mice yet you sadly need a philosophy to search after and think about matters most difficult to discover After saying this the owl ruffled his feathers and pretended to think **A History of Nursery Rhymes - Primary Source Edition** Percy B.
