Spiritual Direction and the Care of Souls David G. Benner, Gary W. Moon, 2025-06-23 In recent years many Christian clergy laity and mental health professionals have rediscovered the ancient practices of spiritual direction Seen as a refreshing alternative to the techniques and limitations of modern psychology such practices offer new insights for pastoral care But many remain unclear on what spiritual direction is and whether its methods are applicable to their own clients and parishioners Spiritual direction is a practice of Christian soul

care that is found most notably in the Catholic Orthodox and Episcopal traditions but is also present in Wesleyan Holiness Pentecostal charismatic social justice and Reformed communities Predating modern counseling and psychotherapy movements but sharing key principles and insights for spiritual formation spiritual direction offers significant resources for today's pastors counselors therapists chaplains and other caregivers attuned to the work of God in people's lives In this landmark volume editors Gary W Moon and David G Benner along with a team of expert contributors provide a comprehensive survey of spiritual direction in its myriad Christian forms Specific chapters offer careful historical perspective and contemporary analysis of how Christians from various backgrounds have practiced spiritual direction with particular attention to each tradition's definition of spiritual direction the process of authentic transformation the role of the spiritual director indicators of mature spirituality and other aspects of the spiritual direction process Chapters also provide psychological and clinical insight into how spiritual direction is similar to different from and can be integrated with psychotherapy and pastoral counseling to help others experience spiritual transformation and union with God

Face-to-Face with Priscilla and Aquila Janet Thompson, 2011-01-02 Priscilla and Aquila made an impact on those they served So much so they were mentioned numerous times by the Apostle Paul in his writings as examples of servant leadership in the early church Sadly today many couples serve apart from one another in the church if they serve at all By not serving together those couples miss out on blessings that can only be received through investing in kingdom work as a couple Face to Face with Priscilla and Aquila explores the importance of serving together and leading together within the context of both the church and everyday life

Face-to-Face with Euodia and Syntyche Janet Thompson, 2010-02-01 Women and men may not admit to having disagreements or conflicts but the very lack of admission to this inevitable aspect of relationships accentuates the tremendous need for learning how to deal with conflict People including those who develop a close relationship of any kind will disagree eventually However when women avoid resolving disagreements relationships end without reconciliation and this compromises ministry success Face to Face with Euodia and Syntyche explores the causes of conflict and how Christians can biblically achieve a resolution and reconciliation

Urban Ministry Manuel Ortiz, Harvie M. Conn, 2025-06-06 No 3 in the Academy of Parish Clergy Top Ten Books of the Year The city presents serious challenges that cry out for answers poverty racism human exploitation and government corruption How can the church move ahead in the midst of these demands with the gospel of hope Here in one comprehensive volume Harvie Conn and Manuel Ortiz two noted scholars and

proven practitioners of urban ministry address the vital work of the church in the city Their dual goal to understand the city and God s work in it Through four great waves of development Conn and Ortiz trace the history of the city around the world Then they tackle the critical issue of a biblical basis for urban mission How does the Bible view the city Are we closer to God in the country than the city Does the Bible have an anti urban bias These questions are given a thorough analysis that unveils God s urban mandate as reflected in both Old and New Testaments From this foundation the authors unpack the multifaceted nature of the city as place as process as center as power and as a place of change and stability They move us beyond fragmented stereotypes to a new way of seeing that is holistic enough for a fully biblical ministry to develop In addition Conn and Ortiz lay out what the social sciences have to offer urban mission including ethnographic and demographic studies and they focus on the particular issues and needs of urban leadership including a plan for developing and mentoring leaders while equipping the laity for ministry in the city This is the essential text for bringing God s kingdom to the city through the people of God
