Turning Your Dreams into Realities Glenn Arekion,2015-01-02 I m living the dream is an expression that is often used but hardly ever experienced Much has been said about the importance of dreams and visions for a fulfilled life Yet there are more dissatisfied people today than ever This is because without wisdom strategies and disciplines visions remain grounded Many have not reached the lofty positions that their dreams had for them due to a lack of these three fundamental forces Solomon the most successful entrepreneurial king knew the keys to success In Ecclesiastes he said For a dream cometh through the multitude of business Modern translations render this verse as A dream comes through by much business much activities and painful efforts This means merely having a dream without activities strategies and certain disciplines implemented in your life will not trigger your dream to materialize In this book you will learn YOU are the number one enterprise you need to build How to destroy the excuses people use to abort their destiny The values of goals and diversities of goals How to manage your most precious resource time The ten characteristics of the diligent The million dollar habits you need to develop Wisdom from the ants the conies the locusts and the spiders How to turn your dreams into actionable steps You want to achieve something great in your life That is how God wired you God has given you the ability to dream in order to take you out of a small place into a wealthy place Learn the necessary keys to change your life **A Hurdler's Dream**

With plenty of biblical examples and practical insights Pam reveals that nothing is more vital to becoming a brave new woman than knowing God intimately and looking at life from His point of view. Each chapter contains Winning Words Scripture to help women feel empowered and overcome their fears. Winning Wisdom Tools brave women use to achieve their dreams. Winner's Circle Inspirational nuggets for encouragement and motivation. Winning Ways Accountability partner exercises and questions perfect for prayer partners or small groups. A woman's ability to move through life with courage and boldness rests instead on the character power and strength of her God.

Jessica Ennis: Unbelievable - From My Childhood Dreams To Winning Olympic Gold Jessica Ennis, 2012-11-08 On 4 August 2012 Jessica Ennis kicked off what some described as the greatest night in British sporting history. For her it was the end of a long winding and sometimes harrowing road. Nobody was under more pressure at the London Olympics than the face of the Games. Yet Jessica delivered the heptathlon gold medal and the huge outpouring of relief she showed afterwards hinted at the roller coaster journey she had been on. Behind the smiles and politeness Jessica has endured much. Bullied at school for being small she proved to critics and rivals alike that size really didn't matter. Hers is an inspiring tale of following your dreams no matter what life throws at you. In 2008 Jessica thought her career might be over when she was injured on the eve of the Olympic Games in Beijing. But she overcame this setback to rebuild her career and technique becoming the world and European champion in successive years. Her biggest test was yet to come though when her rivals overhauled her in the build up to London. *Unbelievable* is a refreshingly candid account of her rise to fame in a highly charged world in which body image issues and drug abuses lurk. From the unique pressures facing her to behind the scenes glimpses into the greatest show on earth and a revealing account of her love-hate relationship with her long-term coach Jessica reveals the truth behind the smiles for the first time. *Unbelievable* includes exclusive behind-the-scenes photos. This is the story of how the girl next door became London's poster girl and how an ordinary woman used an extraordinary talent to claim the title of the world's greatest all-round female sports star.
