A Journey To The Mountain Top:

Journey to the Mountaintop Robert Baron,Locker Thomas,2007 A writer and a painter reflect on life and nature as they embark on a shared voyage of discovery in the Catskill Mountains and Kaaterskill Falls Includes original paintings by acclaimed artist Thomas Locker A Journey to the Mountain Top Faye E. J. Thomas,2003-12 **Prayer: Reaching The Mountain Top** Lynda Scotson,2011-08-22 Why another book on prayer Because no other book on prayer does what this one does It takes the reader by the hand and step by step leads them through the foothills and up in to the mountain regions of prayer Prayer Reaching The Mountain Top is divided into two sections Part One consists of a series of short chapters each with a practical exercise to help develop the reader s prayer life Part Two is a series of short devotions illustrative of the strategies learned in Part One The book is written in a light style and honestly acknowledges the difficulties we all face in prayer whilst giving practical help from a Biblical perspective *Landscape as Sacred Space* Steven Lewis,2005-07-15 Steven Lewis s *Landscape as Sacred Space* Metaphors for the Spiritual Journey invites new discussions about our spiritual journeys and allows seekers to rethink approaches to Christian spirituality and theology in light of postmodernity *Landscape metaphors* provide a common and accessible language to articulate one s spiritual journey Spiritual mountains deserts and valleys are dominant landscapes on our journey through life Most people have experienced the joy of a mountaintop spiritual experience the pain of spiritual deserts or perhaps the dreariness too often associated with spiritual valleys There is a tendency however to highlight spiritual mountaintops while avoiding spiritual deserts and ignoring spiritual valleys This leaves many Christians ill equipped either to deal with crises or to integrate God into ordinary life Each landscape offers rich lessons that when combined together lead us toward a maturing faith and into a deeper relationship with God *Landscape as Sacred Space* is intended to aid those who search for more meaningful ways to articulate their faith journey The book grants permission to struggle with life s landscapes provides safe spaces to reflect on the journey and introduces language that enables exploration and discovery A Journey To The Mountain Top Eric Cathey,2014-05-09 This is a spiritual testament of my life s journey as well as a channel of inspiration to guide believers and non believers in Christ to seek growth and development in their lives It was essentially important for me to gain the understanding that every aspect of our life is spiritual Though that truth I begin to see how crucial it was to start each day with a positive state of mind But it was very difficult for me to do that since I was incarcerated on death row Eventually my meditation and study of the bible helped me to create a method to achieve that blessing I grew up in a dysfunctional home This prevented me from acquiring any meaningful appreciation of myself as a person And I ve come to notice how the perpetuation of superficial standards in our society have eroded the desire to embrace a true value of ourselves So genuine self worth is being discarded But God s grace through his word elevated my perception of who I am as a believer in Christ and thus have motivated me to pursue the improvements of my inner man Having a spirit of excellence brings honor to God So take pride in who you are Putting my trust completely in

God was a struggle that plagued me for many years This was due to the fact that I did not have personal relationship with Christ So out of ignorance I believed that a backsliding Christian was not entitled to receive any help from god But when I shift my focus back on proper worship I came to understand the depth of God s mercy and how his love for humanity will never let him forsake us because Jesus knows how it feels to undergo the various struggles we endure Showing genuine love to other people is mandatory for a believer in Christ But for various reasons people are more incline to be hateful rather than loving toward others Yet my insight of scriptures as I applied them to my life aided me in showing love to a man who tried to take my life The betrayal of a close friend helped the prosecution to win an unjustifiable conviction This experience gave birth to a sovereignty of bitterness in my heart The weight of this resentment became a tremendous burden And only through Jesus was I able to break free from this negative stronghold The deterioration of faith in god is a typical occurrence for prisoners on death row I wrestled with a regression of faith but was able to win that battle after I received a confirmation on the importance faith played in my walk with Christ Plus I discovered that I merely tak Wings of the Morning Walter C.
