A Land of Gods and Giants Mick Sharp, 1989 **Gods, Giants and the Geography of India** Nalini

Ramachandran, 2021-09-03 In the east a pirate king finds his plans foiled by a formidable force of nature In the north a majestic mountain range emerges from a demon s tantrum In the west a sea keeps a city safely hidden in its deep waters In the south the avatar of a god gives a forest its name Long ago before science came up with explanations for the events that occurred in nature people turned to stories to make sense of the wondrous workings of the natural world And so a life giving stream became the gift of a goddess a hot spring arose from the breath of a celestial snake and a heap of broken boulders served as a testament to a divine battle Zigzagging through myths folklore local history and geological theories this extraordinary book draws fascinating connections between ancient tales and the science behind the spectacular geography of India Join Nalini Ramachandran on a most unusual adventure filled expedition up down and across the country s varied terrain

How to Kill the Giant in Your Life Carolyn English, 2007-02 I was led to write *How to Kill The Giant In Your Life* because God know that our life is like that of David facing the giant the enemy in our daily walk We are heirs in the Kingdom of God because we are His children God has given us authority but we refuse to use it yet we pray for things or situations that God has given us the authority to handle or change ourselves We live by faith and not by sight If we have the faith to believe and move our faith out of Neutral and put it in Drive we can have the same victory God gave David In Isaiah 54 17 No weapon formed against you shall prosper and every tongue which rises against you in judgement you shall condemn Did God say he will condemn or you shall condemn Matthew 18 17 Whatever you bind on earth will be bound in heaven and whatever you loose on earth will be loosed in heaven Did God say He will bind or loose or did He say whatever you bind or you loose I think being a Teacher is one of the greatest gifts of all In order to understand God we first must know who God is and in order to know who God is we first must take the time to study the Word The Book of Genesis teaches about God s Royalty Family His Creation His Kindgom We pray a simple prayer because God deals with the heart and God still hear our prayers We can pray with a sincere heart and cry out to God and He still rescues us and answers us Jeremiah 33 3 Call unto Me and I will answer thee and show thee great and mighty things which thou knowest not As we grow spiritually our prayer life changes the same way as we mature in our walk with Christ We drank milk as babes and when the times comes we are no longer drinking milk but we began to eat meat This is the same process for our spiritual growth because we are no longer babes in Christ When we become mature Christians we began to pray scriptural prayers which are more effective but we have to abide in the Word of God Sometimes we have to wait on our prayers to be answered because God is a timely God He is eternal and our time is not His time Sometimes God moves swiftly and He hears the cry of the righteous James 5 16 The effectual prayer of a righteous man availeth much I remembered when I first come to Christ I did not understand some of the Biblical terminology of the Word or it s meaning and I knew there was a lot to learn Yet in my learning there were times I

became frustrated because I did not understand the Bible The course English during my adolescent years in school seem to be the hardest Language to learn because of conjunctions pronouns verbs adverbs and adjectives and when I started reading the Bible I thought Oh my God how do you pronounce the names and what do these parables mean I found out that if you ask God for understanding of His Word He will give you understanding because it is His will for us to know the will of God and not to walk in ignorance of His Word This book is about learning how to fight the enemy how to use God s weapon and knowing the weapons of God It is also about learning as you grow spiritually 2 Corinthians 10 4 For the weapons God s Word of our warfare war against the enemy satan are not carnal worldly or earthly but mightily through the pulling down of strongholds strong defensive structure of protection We are fighting against things that cannot be seen by the naked or natural eyes Have you ever seen someone who Out of the blues happened suddenly attack you mentally or physically and there was actually no logical reason for this strange behavior Well it was not the person in the natural that attacked you but the enemy that used this person Read 2 Corinthians 10 4 again to find out who the enemy is This is what needs to be taught in churches so that Christians can become Prayer Warriors I pray that this book will inspire those who are seeking God to learn and know th
