A Life Song Between Two Worlds:

A Life Song Between Two Worlds Francis Boni,2013-08-21 In this revised edition of A Life Song Between Two Worlds Dr Francis Boni expands his original book of poetry updating his thoughts on society government and philosophy He seeks to enlighten others on points of views that would be otherwise unconsidered and encourages them to think beyond the words on the page and their own personal experiences His verses reflect the emotional rhythm of the meaning of life and its baffling paradoxes which are hard to resolve or to accept He considers the violence in our society currently still crying for a real tentative or effective solution in an effort to reclaim the calm of years long past Boni's work is poetry of ideas purpose poetry with a message a dynamic blend of ideas expressed in a dialectical relationship in a symbolically and intensely passionate way A Hero's Life There are no great men But only great challenges That authentic spirits must meet To overcome Not only personal fears But also the dreads Of that unknown and unconscious reality Which manifests those challenges Through which they become villains or heroes

T. S. Eliot Between Two Worlds David Ward,2015-12-22 The basis of this critical examination of Eliot's work first published in 1973 is the investigation of his transmutation of this and other philosophical mythological and religious motives into the textures of his verse This book focuses on Eliot's peculiar eclectic approach to what he described as the Tradition It also recognises the fact that Eliot for all his attempts at universality was a product of time and place and gives an account of the way in which his education and experience shaped his most important interests This title will be of interest to students of literature
