**M. V. Hughes**

## **A London Child Of The 1870s:**

**A London Child of the 1870s** Mary Vivian Hughes,1977     [A London child of the 1870s](#) M. V. Hughes,1974     *A London Child of the Seventies* M. V. Hughes,2018-12-01 *A London Child of the Seventies* which was first published in 1934 is a record of British author Molly Hughes memories of life as a child in London during the seventies of the last century In the warmth of her recollection the image of Victorianism as something harsh restricted and unnatural melts and vanishes This was a happy life not because it was luxuriously equipped but because the spirit of human relationships in a large family was always of the happiest and because imagination learned to build with the simplest of materials a wonderland of adventure NONE of the characters in this book are fictitious The incidents if not dramatic are at least genuine memories Expressions of jollity and enjoyment of life are understatements rather than overstatements We were just an ordinary suburban Victorian family undistinguished ourselves and unacquainted with distinguished people It occurred to me to record our doings only because on looking back and comparing our lot with that of the children of today we seemed to have been so lucky In writing them down however I have come to realize that luck is at one s own disposal that there is nothing either good or bad but thinking makes it so Bring up children in the conviction that they are lucky and behold they are But in our case high spirits were perhaps inherited as my story will show DON PEDRO In faith lady you have a merry heart BEATRICE Yea my lord I thank it poor fool it keeps on the windy side of care     *A London Child of the 1870's* Mary Vivian Hughes,1934     **A Victorian Family** Mary Vivian Hughes,1990-01-01     [A London Family, 1870-1900](#) Mary Vivian Hughes,1991 This is Molly Hughes autobiographical account of her life in Victorian London *A London Child of the 1870s* *A London Girl of the 1880s* and *A London Home of the 1890s* are available here in a single paperback volume The perceptive trilogy traces her early life through schooldays studies and travels abroad to the closing years of the last century when she was married and bringing up a family of her own showing that Victorian children did not have such a dull time as is usually supposed     [Victorian Childhoods](#) Ginger S. Frost,2008-12-30 The experiences of children growing up in Britain during Victorian times are often misunderstood to be either idyllic or wretched Yet the reality was more wide ranging than most imagine Here in colorful detail and with firsthand accounts Frost paints a complete picture of Victorian childhood that illustrates both the difficulties and pleasures of growing up during this period Differences of class gender region and time varied the lives of children tremendously Boys had more freedom than girls while poor children had less schooling and longer working lives than their better off peers Yet some experiences were common to almost all children including parental oversight physical development and age based transitions This compelling work concentrates on marking out the strands of life that both separated and united children throughout the Victorian period Most historians of Victorian children have concentrated on one class or gender or region or have centered on arguments about how much better off children were by 1900 than 1830 Though this work touches on these themes it covers all children and focuses on the experience of childhood rather than arguments about

it Many people hold myths about Victorian families The happy myth is that childhood was simpler and happier in the past and that families took care of each other and supported each other far more than in contemporary times In contrast the unhappy myth insists that childhood in the past was brutal full of indifferent parents high child mortality and severe discipline at home and school Both myths had elements of truth but the reality was both more complex and more interesting Here the author uses memoirs and other writings of Victorian children themselves to challenge and refine those myths *The British Toy Business* Kenneth D. Brown,1996-01-01 At its height British toymaking was a significant industry with famous names such as Britains and Meccano known throughout the world While in essence a specialised form of small scale engineering its products and market have always been unique reflecting the current priorities of both parents and children Yet while individual toys and marques have been catalogued extensively no previous history of toymaking as a whole exists *The British Toy Business* provides a fascinating example of the development of a specific industry Many early early toys were home made From the eighteenth century with its growing recognition of children as something other than small adults date the beginnings of specialised toys usually produced by small workshops and sold by street sellers The nineteenth century with its industrial growth and middle class prosperity saw an expansion of toymaking The 1960s and 1970s were the most successful years of British toymaking with companies like Lesney making record profits Yet British toy makers failed to solve a number of fundamental problems Following an unexpected sudden downturn in sales at a time of high interest rates the major names in British toy making Lesney Airfix Mettoy and Dunbee Combex Marx all collapsed between 1979 and 1985 leaving the business to be dominated largely by importers **London, a Social History** Roy Porter,1998 An extraordinary city London grew from a backwater in the Classical Age into an important medieval city and significant Renaissance urban center to a modern colossus full of a free people ever evolving Roy Porter touches the pulse of his hometown and makes it our own capturing London s fortunes people and imperial glory with vigor and wit 58 photos **Histories of Everyday Life** Laura Carter,2021-07-22 *Histories of Everyday Life* is a study of the production and consumption of popular social history in mid twentieth century Britain It explores how non academic historians many of them women developed a new breed of social history after the First World War identified as the history of everyday life The history of everyday life was a pedagogical construct based on the perceived educational needs of the new mass democracy that emerged after 1918 It was popularized to ordinary people in educational settings through books in classrooms and museums and on BBC radio After tracing its development and dissemination between the 1920s and the 1960s this book argues that history of everyday life declined in the 1970s not because academics invented an alternative new social history but because bottom up social change rendered this form of popular social history untenable in the changing context of mass education *Histories of Everyday Life* ultimately uses the subject of history to demonstrate how profoundly the advent of mass education shaped popular culture in Britain after 1918 arguing that we should see the twentieth century as Britain s educational century [The British Library General](#)

Catalogue of Printed Books 1976 to 1982 British Library,1983      **A London Girl of the Eighties** M. V. Hughes,2018-12-01  
 In A London Girl of the Eighties which was first published in 1936 British author Molly Hughes vividly evokes the small everyday pleasures of a close family life in Victorian London joyful Christmases blissful holidays in Cornwall escapades with her brothers and schooldays under the redoubtful Miss Buss Her intensive recollection of college life at Cambridge and her first teaching jobs creates an easy intimacy with the reader and provides a fascinating glimpse into another world full of everyday period detail vividly and humorously told NONE of the characters in this book are fictitious The incidents if not dramatic are at least genuine memories Expressions of jollity and enjoyment of life are understatements rather than overstatements We were just an ordinary suburban Victorian family undistinguished ourselves and unacquainted with distinguished people It occurred to me to record our doings only because on looking back and comparing our lot with that of the children of today we seemed to have been so lucky In writing them down however I have come to realize that luck is at one s own disposal that there is nothing either good or bad but thinking makes it so Bring up children in the conviction that they are lucky and behold they are But in our case high spirits were perhaps inherited as my story will show DON PEDRO In faith lady you have a merry heart BEATRICE Yea my lord I thank it poor fool it keeps on the windy side of care      **As Told By Herself** Lorna Martens,2022-10-25 Introduction Beginnings women s childhood autobiography prior to World War I The interwar years memoirs and semi memoirs The interwar years the golden age of psychological self portraiture Women s childhood autobiography during World War II Women s childhood autobiography from the end of the Second World War through the 1960s Conclusion      Children in Historical and Comparative Perspective Joseph M. Hawes,N Ray Hiner,1991-03-25 This unique handbook presents the work of many of the world s foremost authorities on children in a reference guide that affirms the importance of the role children play in the story of civilization The contributors represent many nations as well as a variety of disciplines The result is a volume beginning with an historical overview of children in pre modern times and continuing with studies of modern childhood in countries throughout the world Broad in its scope this volume highlights the uniqueness of each historical and cultural influence and demonstrates how the study of childhood crosses all boundaries      **History of reading: An introduction to reading in the past** The Open University, This 1 hour free course illustrated different aspects of reading in Britain during the period from 1450 to 1945      *An Historical Geography of Recreation and Tourism in the Western World 1540-1940* J. Towner,1996-11-05 Bringing together a wide range of material from a number of different disciplines this book provides a historical and geographical approach to the field of recreation and tourism      **The British National Bibliography** Arthur James Wells,1991      **Childhood and Violence in the Western Tradition** L. W. B. Brockliss,Heather Montgomery,2010 This text is divided into six The first four deal with different manifestations through the centuries of what would be today considered violence and neglect The fifth and sixth chapters look at the various violent and non violent strategies used by children as coping mechanisms in what to us seems a

very harsh world      **Kate Greenaway, a Biography** Rodney K. Engen, 1981 A biography of the well known illustrator  
frankly told by Engen who uses much unpublished correspondence and illustrations which appear here for the first time  
    **An Autobiography** Leonard Woolf, 1980

### **A London Child Of The 1870s Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free A London Child Of The 1870s PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free A London Child Of The 1870s PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of A London Child Of The 1870s free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
