A Look Through The Rear View Mirror:

"A Look Through Granny's Window 1" Marylee Smithwick,2009-11-15 When Granny comes to live with the Thaxton s her stories and total truths help her family and friends to unite and grow through laughter and pathos of getting old There is nothing like grandma hands and wisdom Granny said once How are you gonna know where you goin if you don t know something about where you been HISTORY IS AN EVERYDAY OCCURANCE TODAY IS TOMORROW S HISTORY

Records and Briefs New York State Appellate Division ,1962 New York Court of Appeals. Records and Briefs. New York (State)., Five Things I'Ve Learned About Life from Working in a Nursing Home Ana Lydia Peeks,2018-10-16 This book is not scientific in nature nor is it heavily embedded with literature or references on the aging process Instead I share my reflections about themes that emerged in my work as a professional in a nursing home At times I will share my own experiences to illustrate a point This book is written as an invitation to guide readers to lift the veil into what could be viewed as a complex process that is the aging process While we are all headed toward this developmental benchmark as we grow older the path of aging influences us all This book is not psychotherapy and residents are not identified as case studies Rather the aim of this book is for readers to reflect on the themes highlighted in each chapter It is as if we are sitting together and exchanging viewpoints about the various thematic chapters in this book In each chapter I use metaphors to underscore my observations The book s format is divided into chapters Each chapter has a title and a subtitle describing each theme as a jewel To understand this picture yourself sitting in your favorite chair with a cup of tea and reading a chapter in this book Questions poised in the chapters in this book are questions that I reflected on in my own discovery about aging and thus I feel compelled to share them with you Since a jewel is the subtitle of each chapter why not experiment and develop your own treasure chest There are numerous arts and crafts stores that carry boxes that can be decorated to resemble a treasure chest as we all have the ability to be creative Further as part of this process consider choosing a favorite color or colors as your own personal jewel s place it inside your personalized treasure chest and pour your hopes dreams and aspirations onto it It is surprising what this process may reveal Even more imagine having your own treasure chest and as you raise the lid a beautiful golden light emerges revealing five sparkling jewels As you read each chapter imagine holding one of these beautiful jewels in your hand As you study the jewel s brilliance coupled with the themes in each chapter it is my hope that you too will discover a treasure trove of jewels that embody the golden years
