applicable Scripture verses Original **Lyrics in Search of Music** Aaron C. Jones,2011-10-18 Volume 2 Aaron Jones began writing lyrical poetry in the late 1980s He was inspired by his brother Eddies band to compose his poems in the form of songs The title of this poetry collection Lyrics in Search of Music was inspired by the fact that Eddie could not write music to words already written Jones hopes that by offering up his collection at least one of his poems will have life breathed into it finally pairing his poetry with the right music This is his fondest dream But Not If You Depart You say you have no reason to live But can you tell me why Why you think you have no more to give You have to give love to get love Thats what Im trying to tell you That love you are undeniably worthy of If you end it all now it wont hurt you at all It will devastate all the hearts youve encountered Were the ones that get hurt after you fall Listen your heart is broken Your feelings youre cloaking We can repair your heart But not if you But not if you But not if you depart **Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch** Julia T. Meszaros,2016-03-03 In an age of self affirmation and self assertion selfless love can appear as a threat to the lover s personal well being This perception jars with the Biblical promise that we gain our life through losing it and therefore calls for a theological response In conversation with the Protestant theologian Paul Tillich and the atheistic moral philosopher and novelist Iris Murdoch Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch enquires into the anthropological grounds on which selfless love can be said to build up rather than undermine the lover s self It proposes that while the implausibility of selfless love was furthered by the modern deconstruction of the self both Tillich and Murdoch utilize this very deconstruction towards explicating and restoring the link between selfless love and human flourishing Julia T Meszaros shows that they use the modern diagnosis of the human being s lack of a stable and independent self as manifest in Sartre s existentialism in support of an understanding of the self as relational and fallen This leads them to view a loving orientation away from self and a surrender to the other as critical to the full flourishing of human selfhood In arguing that Tillich and Murdoch defend the link between selfless love and human flourishing through reference to the human being s ontological selflessness Meszaros closely engages S ren Kierkegaard s earlier attempt to keep selfless love and human flourishing in a productive dialectical tension She also examines the breakdown of this tension in the later figures of Anders Nygren Simone Weil and Jean Paul Sartre and addresses the pitfalls of this breakdown Her examination concludes by arguing that the link between selfless love and human flourishing would be strengthened by a more resolute endorsement of a personal God and of the reciprocal nature of selfless love *Traveling Light Deluxe Edition* Max Lucado,2013-04-01 We re all weighed down by loads we were never intended to carry With New York Times bestselling author and pastor Max Lucado as your guide *Traveling Light* invites you to release some of those heavy burdens and experience true rest We ve all seen weary travelers everything they own crammed into their luggage staggering through terminals and hotel lobbies with overstuffed suitcases trunks duffels and backpacks Backs ache Feet burn Eyelids droop We ve all seen people like that at times we all are people like that if not with our physical luggage then at least with our spiritual load The suitcase of guilt A
