## **All About You:**

*It's All About Love* Nicholas Pinder, 2016-02-12 These poetry books are entitled *It's All About Love* as the main topic They are unique and rare in themselves from other poetry books you might have read The subtopics themselves arouse curiosity to the wondering minds that would want to know what love is who God is and what poetry is In addition to these what are the signs and symptoms of each one of these These books are written completely in poem structure They proudly boast vast topics debated globally These magnificent attractions will appeal to and affect every global reader spiritually personally and mentally based on the information recorded The knowledge revealed is what opens up readers awareness about God love and poetry

*It's All about the Change* Priscilla Davis, 2014-04 *It's All about the Change* is designed to be a day by day study of God's Word that will bring you closer to Him I encourage you to read the Scriptures that are suggested and then take time to journal your thoughts on that day's lesson It has been my experience that journaling your thoughts will help to write God's Word in your heart and mind Scripture recollection is greatly improved by this practice I pray that through this study you will receive all that God has in store for you As you begin sit down with your Bible and read the passage we will be covering Then dig into the study guide and find the treasures for your soul It is helpful to keep track of God's blessings and answered prayers May God bless you as you begin or continue your walk with Him

*What Is Life All About?* Alan P. Gill, 2009-07-31 *What Is Life All About* Is life A Grand Conspiracy A Marvelous Mystery An Incredible Accident Or Something Else The surprise is that you can know the truth about life and be 100% confident in that knowledge You will know what is on the other side of death Amazingly your success or failure in life has to do with your attitude The person with the wrong attitude can read see hear the truth and deny it vehemently while the person with right attitude will understand appreciate and believe the truth Life is a perfect and difficult test The process of life itself sorts out good from evil right from wrong and you will succeed or fail depending on your attitude The book defines the attitude you need to succeed and provides evidence and examples to convince What is life really all about It may be true that most people do not care but what is the reason for not caring Generally it is because people DOUBT ANYONE REALLY KNOWS and thus why should anyone care In addition the world brings great confusion to this subject There are scams and frauds around every corner and even honest people push the limits of the truth with exaggeration which is really a lie Greed selfishness covetousness envy and power are behind a lot of the deceit The wonder of heaven will provide infinitely more than people could ever achieve on earth but people want everything NOW and deceit is a frequent companion to achieving earthly desires There are 45 chapters in the book *What Is Life All About* and then some extensive helpful appendices another 163 pages The single most influential deceit is in the area of religion The single most prominent reason for being an atheist or agnostic is religion The past 2000 years of religious history includes unspeakable cruelty wars terrorism indoctrination lies and deception and this rightly leads to opposition but also strangely to acceptance indifference excuses by others The critical missing fact is that God had nothing to do with these

religions but abhors them What a pathetic assumption to blame God The truth about God and these religious groups could quickly clarify the situation Chapter 16 is a chapter that begins to sort out HOW all this religious mess occurred Here is a partial outline for chapter 16 16 1 What Is Seriously Wrong with Judaism 16 2 What Is Seriously Wrong with Roman Catholicism 16 3 What Is Seriously Wrong with Protestant Groups 16 4 What Is Seriously Wrong with Islam 16 5 What Is Seriously Wrong with Mormonism 16 6 What Is Seriously Wrong with the Jehovahs Witnesses 16 7 What Is Seriously Wrong with Atheism Agnosticism Seriously Wrong means there is NO eternal value in these religions These belief systems were the fabrication of men and or women and did NOT come from God The evidence is overwhelming and deceit runs through these religions like vultures going through a carcass You do not need a forensic analysis but you can do a complete autopsy if you wish The damaging evidence regarding these groups is clearly seen and very logical and understandable from the book This is because AS YOU UNDERSTAND GOD a significant subject in the book you do not need to go very far into these beliefs to see huge problems One of the attitudes you need is a LOVE OF THE TRUTH more than the love of what you currently believe You can understand God His purpose His plan inasmuch as He has revealed Himself Incredibly one major obstacle to overcome will be the MAGNITUDE OF THE DECEIT Lies on top of lies often for many centuries define todays religions Religion has become mans idea of God and there is no consistency just random unrelated doctrines The truth is infinitely different with everything perfectly connected to a single purpose Ultimately your success or failure in life is simply a matter of where you place your trust Is your trust in God or is it in men women who say they are telling you *It's All about Love* Stephen Jensen,2000-09 What you think determines who you are and the type of life you have Your life can be full of love i e happiness peace trust good luck contentment and abundance or based on fear i e disease illness drama stress pain struggle hardship injury crime sadness loss anger disappointment violence loneliness and worry To change your life you must change yourself To do that you must change how you think This book is the definitive guide on how to do that The very simple and short answer is to have more LOVE in your life Although it s not always the obvious solution it is the only solution This book explains why love lets you have a better life including better health success in all your relationships abundance in all things and the real possibility of finally being able to have what you want It takes you on a healing journey of self discovery by providing a model to guide you to see who you are what you need to change about yourself and how to effortlessly and painlessly make those changes Once you have changed then you will attract even more love into your life and experience peace contentment and fulfillment *All About Us #6: The Chic Shall Inherit the Earth* Shelley Adina,2010-01-07 Lissa Mansfield has come a long way since transferring to Spencer Academy two years ago She s made a great group of friends in Gillian Carly Mac and Shani She s strengthened and grown her relationship with God She s even gotten over the Callum McCloud incident from her first semester Now she s ready to graduate and take on college life Or is she With her parents relationship still on the rocks and the girls about to separate as they head to different colleges Lissa is faced with some of her

biggest challenges yet in her last term at Spencer Will Lissa put her faith in God to carry her through these difficult times
