E. S. Turner

Living in London for ten long years, E. S. Turner has a keen grasp of the American situation. He has written nine previous books, including the histories and social history. His new book will give a picture of Social History of Colonial America. A very interesting, and indeed, enlightening, book. — *The New Yorker*. The Court of St. James's of 1763-1764 is a most startlingly interesting. — *The New York Times*. This book is a most interesting account of the Court of St. James's in 1763-1764. The history of the Court of St. James's is a most interesting and thoroughly interesting picture of social history. — *The New York Herald Tribune*, and if that does not do it, the book is a most interesting study of the social conditions of the Court of St. James's in 1763-1764. — *The New York Times*. Turner has been a reporter, editorial writer, author of eight books, contributor to *Parade*, and frequent visitor to the United States.
