All My Relations Stories:

All My Relations Susan Chernak McElroy, 2010-10-14 In *All My Relations* Susan Chernak McElroy offers ten poignant stories examining such concepts as ownership naming and unnamings things interpreting signs and language and animals as mirrors of the soul In these pages you will meet Fashion the old arthritic mare who reminds the author of the joys of giving for its own sake Kulu the zoo chimpanzee who adopts the author as a surrogate mother and demonstrates the heartbreaking realities of captivity and a host of other critters who will capture your heart and stir your soul The meditations and practices that accompany the stories will guide you toward a deeper connection with both the animal world and your own stories
