The Shortening of the Days Glen Carl Cutlip, 2000-10-23 The Shortening of the Days contains two other volumes The Children of Eternal Day and The Garden of Eternity All three volumes are concerned with the unsearchable indescribable wisdom of God and the Everlasting Gospel of one's being in God They lead one to an understanding that is beyond understanding revealing the nature of one's transcendent being that comes to understand without understanding The reconciliation of all things unto the eternal Day of God is the reconciliation of an infinity of many unto the One for the one and the many are realized to be two parts of the same thing Now is the time to take responsibility for what you are in God for now we can see how that an infinity of many share that responsibility with us And in that sense the burden is considered to be light not heavy burden The return to the Garden of Eternity is the return to one's original starting point with the awareness of how one got there a conscious entry as it were back to the core of being from out of the realm of duality of separation

In God's Presence Alon Goshen-Gottstein, 2025-10-21 In this landmark volume noted Jewish scholar Alon Goshen Gottstein offers a full orb'd treatment of the Jewish faith for today Goshen Gottstein's presentation explores the history and practice of Judaism and offers a framework in which this complex religious tradition makes sense to both the insider and the outsider Painting a composite picture of Judaism from its beginnings until today Goshen Gottstein draws on history literature theology spirituality and practiced religious life to craft an overview in which these different parts are appreciated as pieces of a larger whole Beyond the canonical foundations of the Bible and the Talmud Goshen Gottstein incorporates mystical sources in presenting an image of spiritually engaged Jewish practice and belief He thus argues that Judaism is best understood as a religious tradition that seeks to uphold not only a life lived in allegiance to God's law but more importantly a life lived in God's presence Written by a senior scholar well known in Jewish Christian and interreligious circles *In God's Presence* will appeal to Jewish and Christian academic readers those interested in the intersection of Jewish and Christian thought and students in introduction to Judaism courses
