

THE AMERICAN JEREMIAD

SACVAN BERCOVITCH

ANNIVERSARY EDITION, WITH A NEW PREFACE

American Jeremiad

Richard J. Ellis

American Jeremiad:

American Jeremiad Sacvan Bercovitch,1980-09-01 This is a dazzling performance It supplies conceptual links between phenomena where historians have often sensed a connection without being able to describe it adequately Bercovitch has written intellectual history at the highest level Edmund S Morgan New York Review of Books

Origins of the African American Jeremiad Willie J. Harrell, Jr.,2011-10-14 In the moralistic texts of jeremiadic discourse authors lament the condition of society utilizing prophecy as a means of predicting its demise This study delves beneath the socio religious and cultural exterior of the American jeremiadic tradition to unveil the complexities of African American jeremiadic rhetoric in antebellum America It examines the development of the tradition in response to slavery explores its contributions to the antebellum social protest writings of African Americans and evaluates the role of the jeremiad in the growth of an African American literary genre Despite its situation within an unreceptive environment the African American jeremiad maintained its power continuing to influence contemporary African American literary and cultural traditions

The American Jeremiad Sacvan Bercovitch,1980

Black Prophetic Patriotism Jonathan Chism,LaMont Johnson,2025-11-27 This volume critically and constructively examines Jeremiah Wright s life and legacy focusing on his patriotic promotion of inclusion within the church and society This book advances conversation regarding the ongoing necessity of prophetic or social justice preaching and ministry in post civil rights America

Sourcebook on Rhetoric James Jasinski,2001-07-19 This book is designed to introduce readers to the language of contemporary rhetorical studies The book format is an alphabetized glossary with appropriate cross listings of key terms and concepts in contemporary rhetorical studies An introductory chapter outlines the definitional ambiguities of the central concept of rhetoric itself The primary emphasis is on the contemporary tradition of rhetorical studies as it has emerged in the discipline of speech communication Each entry in the glossary ranges in length from a few paragraphs to a short essay of a few pages Where appropriate examples are provided to further illustrate the term or concept Each entry will be accompanied by a list of references and additional readings to direct the reader to other materials of possible interest

African American Jeremiad Rev David Howard-Pitney,2009-09-02 An enduring verbal tradition links African American leaders from Frederick Douglass to Malcolm X to Alan Keyes

American Dream 2.0 Frank A. Thomas,2012-08-01 The promise of America has always been creative potential enterprise industry optimism idealism and hope This promise known since the beginning of the New World and named since the Great Depression as the American Dream is what makes immigrants cry at the base of the Statue of Liberty But there is a dark side to the American Dream too one that we don t talk about much in polite company A side characterized by the exploitation and domination of subjected people The national climate has caused many to question the validity of the American Dream and whether it even offers a viable vision for the nation There are few greater questions to ask Our collective future depends on a common vision If the American Dream is dead then what happens next This book evaluates the

American Dream establishes its roots gives reasons for its decline and offers solutions to reclaim the promise of the American Dream that is more aligned with Jesus vision of the kingdom of God and Martin Luther King Jr s vision of the Beloved Community Our challenge is to develop a redesigned American Dream a sustainable future for all free from exploitation and domination of subjected people

African American Jeremiad Rev David Howard-Pitney,2005-09-28 Begun by Puritans the American jeremiad a rhetoric that expresses indignation and urges social change has produced passionate and persuasive essays and speeches throughout the nation s history Showing that black leaders have employed this verbal tradition of protest and social prophecy in a way that is specifically African American David Howard Pitney examines the jeremiads of Frederick Douglass Booker T Washington Ida B Wells W E B DuBois Mary McLeod Bethune Martin Luther King Jr and Malcolm X as well as more contemporary figures such as Jesse Jackson and Alan Keyes This revised and expanded edition demonstrates that the African American jeremiad is still vibrant serving as a barometer of faith in America s perfectibility and hope for social justice This new edition features A new chapter on Malcolm X An updated discussion of Jesse Jackson A new discussion of Alan Keyes

The American jeremiad Samuel P. Bell-Hart,2010

Thornton Wilder and the Puritan Narrative Tradition Lincoln Konkle,2006 Fresh examination of the works of Thornton Wilder emphasizing continuities in American literature from the seventeenth through twentieth centuries Sees Wilder as a literary descendant of Edward Taylor who drew from the Puritan worldview and tradition Includes indepth readings of *Shadow of a Doubt* *The Trumpet Shall Sound* and others Provided by publisher

The American Jeremiad in Civil War Literature Jacob Hadley Stratman,2007 In the first half of the study I show how Whitman and Melville use religious language Biblical allusions and the framework of the jeremiad to persuade the country to remember the sacrifices made during the war and to remember God s call to the founders of the nation to remain united and whole essentially to secede is to defy God In the second half of the study I show how Christian writers publicly responded to slavery and its influence on the war Both Whittier and Stowe use their craft and elements of the jeremiad to preach the gospel of nonresistance and freedom persuade Americans to fight against slavery and ultimately unite the nation around Christ s teachings of peace and unity

Transnational Sentimentalism in Mid- to Late-nineteenth-century US Literature Leslie Martins Hammer,2009

Multiculturalism and American Democracy Symposium on Science, Reason, and Modern Democracy,1998 The fourteen essays in this volume address the pros and cons of multiculturalism and explore its relationship with liberal democracy

The American Liberal Tradition Reconsidered Mark Hulliung,2010 Eight prominent scholars consider whether Louis Hartz s interpretation of liberalism in his classic 1955 book should be repudiated or updated and whether a study of America as a liberal society is still a rewarding undertaking

The Carter Presidency Gary M. Fink,Hugh Davis Graham,1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter s election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later

espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter s presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter s dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter s performance focusing on policy both as cause and effect of the post industrial transformation of American society that shadowed his administration A final essay shows how Carter s public spirited post presidential career has made him one of America s greatest ex presidents Grounded on research conducted at the Carter Library *The Carter Presidency* is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America *Afro-American Jeremiahs* David Howard-Pitney,1984

Conspiracy Fears and the American Romance, 1789-1860 Robert S. Levine,1981 *The Liberals' Moment* Bruce Miroff,2009 Revisits the largely forgotten story of how the McGovern campaign represented the zenith of sixties style liberalism and how its historic defeat still haunts Democrats to this day and in the process identifies what Democrats must do before they can reassume their role as agents of progressive change *African American Preaching* Gerald Lamont Thomas,2004 Four centuries of African American preaching has provided hope healing and heaven for people from every walk of life Many notable men and women of African American lineage have contributed through the art of preaching to the biblical emancipation and spiritual liberation of their parishioners In *African American Preaching The Contribution of Dr Gardner C Taylor* Gerald Lamont Thomas offers a historical overview of African American preaching and its effect on the cultural legacy of black people noting the various styles and genius of pulpit orators The book s focus is on the life ministry and preaching methodology of one of this era s most prolific voices Dr Gardner C Taylor and should be read by everyone who takes the task of preaching seriously *The Dark Side of the Left* Richard J. Ellis,1998 Political correctness idealizing the oppressed and an affinity for authoritarian and charismatic leaders are all parts of what Ellis calls the dark side of the left

American Jeremiad Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. Such could be the essence of the book **American Jeremiad**, a literary masterpiece that delves deep to the significance of words and their affect our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall impact on readers.
