American Diplomatic Game:

The American Diplomatic Game Drew PEARSON (and BROWN (Constantine)),1935 *Diplomatic Games* Heather L. Dichter,Andrew L. Johns,2014-08-15 The National Association for the Advancement of Colored People NAACP is the nation s oldest civil rights organization having dedicated itself to the fight for racial equality since 1909 While the group helped achieve substantial victories in the courtroom the struggle for civil rights extended beyond gaining political support It also required changing social attitudes The NAACP thus worked to alter existing prejudices through the production of art that countered racist depictions of African Americans focusing its efforts not only on changing the attitudes of the white middle class but also on encouraging racial pride and a sense of identity in the black community Art for Equality explores an important and little studied side of the NAACP s activism in the cultural realm In openly supporting African American artists writers and musicians in their creative endeavors the organization aimed to change the way the public viewed the black community By overcoming stereotypes and the belief of the majority that African Americans were physically intellectually and morally inferior to whites the NAACP believed it could begin to defeat racism Illuminating important protests from the fight against the 1915 film *The Birth of a Nation* to the production of anti lynching art during the Harlem Renaissance this insightful volume examines the successes and failures of the NAACP s cultural campaign from 1910 to the 1960s Exploring the roles of gender and class in shaping the association s patronage of the arts Art for Equality offers an in depth analysis of the social and cultural climate during a time of radical change in America **American Diplomacy** John Bassett Moore,1905 *Adventures in American Diplomacy* Alfred Lewis Pinneo Dennis,1928 **Earnest Endeavors** Marc McClure,2003-12-30 George Rublee 1868 1957 was an eastern establishment lawyer and corporate liberal who made a significant contribution to economic reform legislation on the state and national levels during the progressive era He was also involved in a number of important international events from 1917 to 1939 Despite his achievements he has been largely overlooked In this first biography of Rublee McClure contends that any understanding of the history of the Federal Trade Commission and of U S foreign relations in World War I and the interwar period is incomplete without an understanding of Rublee s experiences Rublee s influence on domestic policy includes his role as advisor to New Hampshire governor Robert Bass his influence in the development of Theodore Roosevelt s 1912 New Nationalism platform and his conversion of Woodrow Wilson to a Bull Moose approach to antitrust with the creation of the FTC in 1914 His contribution to international relations ranges from his participation on the almost forgotten Allied Maritime Transport Council to his success in bringing the US into a consultative pact with Great Britain and France at the 1930 London Naval Conference to his courageous role as director of the controversial Intergovernmental Committee created at the 1938 Evian Conference to deal with the German Jewish refugee crisis [The National Review](#) ,1904 *Pearson (Drew), Brown (Constantine) The American Diplomatic Game ...* Constantine Brown,1935 **American Diplomatic and Consular Practice** Graham Henry Stuart,1952 *Henry*
