American Government And Politics A Neoconservative Approach:

American Government and Politics Richard T. Saeger, 1982 **Higher Goals for America** Stuart S. Nagel, 1989 The purpose of this book is to bring together a number of ideas that relate to the analysis of public policy issues for the presidential campaigns of 1988 These issues are also relevant to 1992 and thereafter since the emphasis is on long term concerns The book is organized in terms of the need for higher goals for America incentives for achieving higher goals improving American constitutional effectiveness coordinating the public and private sectors and public policy substance methods Beginning with goals on a high level of generality or applicability the author then discusses middle range means for achieving them with an emphasis on economic incentives political structures and legal rules Specific policy problems and systematic methods for analyzing them are also included One important feature of this book is that it is concerned with issues relevant to the presidential campaigns of Democrats and Republicans or liberals and conservatives within the political parties Contains charts and tables **Contemporary Political Ideologies** Lyman Tower Sargent, 1990 Since 1969 this book has been praised for its breadth of coverage and clarity It goes beyond the usual bland ahistorical and static mass of information to present arguments positions and counterpositions This edition includes coverage of events in China and the USSR liberation theology environmentalism and the fourth world Research in Public Policy Analysis and Management Stuart S. Nagel, 1987 **Government by the People** James MacGregor Burns, Jack Walter Peltason, Thomas E. Cronin, 1987

Government by the People, 1993 **Books in Print Supplement**, 1994 **From Nation-Building to State-Building** Mark T. Berger, 2013-09-13 This book examines the history of nation building during the era of decolonization and the Cold War and on the more recent post Cold War and post 9 11 pursuit of nation building in what have become known as collapsed or failed states In the post Cold War and post 9 11 era nation building or what is increasingly termed state building has taken on renewed salience making it more important than ever to set the idea and practice of nation building in historical perspective Focusing on both historical and contemporary examples the contributors explore a number of important themes that relate to successful and unsuccessful nation building efforts from South Vietnam in the 1950s and 1960s to East Timor Afghanistan and Iraq in the twenty first century From Nation Building to State Building was previously published as a special issue of Third World Quarterly and will be of interest to students and scholars of comparative politics and peace studies

Ideological Budgeting Steven Koven, 1988-08-24 Koven examines how political philosophy shapes public policy In particular he emphasizes the influence of ideology on one policy area budgeting in the public sector That political beliefs greatly affect the type of policy implemented appears obvious as would the benefit of rational not ideological policymaking Yet the question of whether policy is developed by politically biased appointees or by neutral administrators is not so easily answered Koven asserts that government policy determined by philosophical factors directly contradicts the view that public policy should be developed by policy experts via rational analysis He concludes that through the recognition and control of

confounding influences objective policy can and should be formulated *Annual Review of Political Science*, 1990 *The Costs of War* Richard Falk, 2012-08-21 In *The Costs of War* Richard Falk brings together some of his recent essays published and unpublished examining the impact that the Iraq War has had and will have on international law human rights and democracy A new introduction provides an overview as well as a sense of the current context and reflects on the internal prospects for Iraq and on the logic of an early US military and political withdrawal Having been revised and updated to take account of the march of events the essays are organized into the following sections Part 1 addresses the effects of the American invasion and occupation of Iraq on the current dimensions of world order Part 2 provides a normative inquiry into the larger intentions and consequences of the Iraq War Part 3 considers the more fundamental implications of the Iraq War especially on our understanding of war as an instrument for the solution of conflict Falk demonstrates the dysfunctionality of war in relation to either anti terrorism or the pursuit of a global security system based on military dominance the historical potential of a realistic Gandhism as a positive alternative in the setting of global policy in the twenty first century *The Costs of War* will be of interest to students and scholars of political science media studies and politics and international relations in general **Public Administration Series--Bibliography**, 1988-08 **American Book Publishing Record**, 1983-04
