American Homestead Cooking Lauren Rosen, 1975 **Give a Girl a Knife** Amy Thielen, 2018-06-05 A beautifully written food memoir chronicling one woman's journey from her rural Midwestern hometown to the intoxicating world of New York City fine dining and back again in search of her culinary roots Before Amy Thielen frantically plated rings of truffled potatoes in some of New York City's finest kitchens for chefs David Bouley Daniel Boulud and Jean Georges Vongerichten she grew up in a northern Minnesota town home to the nation's largest French fry factory the headwaters of the fast food nation with a mother whose generous cooking dripped with tenderness drama and an overabundance of butter Inspired by her grandmother's tales of cooking in the family farmhouse Thielen moves north with her artist husband to a rustic off the grid cabin deep in the woods There standing at the stove three times a day she finds the seed of a growing food obsession that leads her to the sensory madhouse of New York's top haute cuisine brigades But like a magnet the foods of her youth draw her back home where she comes face to face with her past and a curious truth that beneath every foie gras sauce lies a rural foundation of potatoes and onions Amy Thielen's coming of age story pulses with energy a cook's eye for intimate detail and a dose of dry Midwestern humor Give a Girl a Knife offers a fresh vivid view into New York's high end restaurants before returning Thielen to her roots where she realizes that the marrow running through her bones is not demi glace but gravy thick with nostalgia and hard to resist
