American Intellectual Elite

Richard Kostelanetz

American Intellectual Elite:

The American intellectual elite Charles Kadushin, **The American Intellectual Elite** Charles Kadushin,1974 **The American Intellectual Elite** Charles Kadushin,1974 There are almost as many works about intellectuals as there are intellectuals Perhaps this is because intellectuals are masters of the word and their mastery is often used to write about themselves Indeed with the possible exceptions of sports figures and film actors intellectuals may be the most overpublicized people in America In this classic study originally published in 1974 Charles Kadushin examines the attitudes of that class of people known as the American intellectual elite While most works on intellectuals first establish who should be included under the title intellectual and debate their characteristics Kadushin instead sets forth a sociological history of leading American intellectuals of the late 1960s The book s concern however is primarily with time and place While The American Intellectual Elite is very much about social circles and the networked small world of intellectuals defined by the institutions such as the journals and magazines around which they gathered the uniqueness of this volume is the recognition that fact must come before theory Thus the collective attitude of leading intellectuals of the sixties are presented in a straightforward and dispassionate manner on topics as diverse as the Vietnam War race relations foreign and domestic policy and the place of intellectuals in the resolution of such issues Now in paperback with a new introduction by the author The American Intellectual Elite is an influential work that will be valued by students of sociology members of the intellectual elite and professionals and students of contemporary American history Provided by publisher **The American Intellectual Elite** John Sommer,Charles Kadushin,Professor Emeritus of Sociology CUNY Graduate Center Charles Kadushin,2017-09-20 There are almost as many works about intellectuals as there are intellectuals Perhaps this is because intellectuals are masters of the word and their mastery is often used to write about themselves Indeed with the possible exceptions of sports figures and film actors intellectuals may be the most overpublicized people in America In this classic study originally published in 1974 Charles Kadushin examines the attitudes of that class of people known as the American intellectual elite While most works on intellectuals first establish who should be included under the title intellectual and debate their characteristics Kadushin instead sets forth a sociological history of leading American intellectuals of the late 1960s The book s concern however is primarily with time and place While The American Intellectual Elite is very much about social circles and the networked small world of intellectuals defined by the institutions such as the journals and magazines around which they gathered the uniqueness of this volume is the recognition that fact must come before theory Thus the collective attitude of leading intellectuals of the sixties are presented in a straightforward and dispassionate manner on topics as diverse as the Vietnam War race relations foreign and domestic policy and the place of intellectuals in the resolution of such issues Now in paperback with a new introduction by the author The American Intellectual Elite is an influential work that will be valued by students of sociology members of the intellectual elite and professionals and students of contemporary American history

The American Intellectual Elite John Sommer, 2017-07-12 There are almost as many works about intellectuals as there are intellectuals Perhaps this is because intellectuals are masters of the word and their mastery is often used to write about themselves Indeed with the possible exceptions of sports figures and film actors intellectuals may be the most overpublicized people in America In this classic study originally published in 1974 Charles Kadushin examines the attitudes of that class of people known as the American intellectual elite While most works on intellectuals first establish who should be included under the title intellectual and debate their characteristics Kadushin instead sets forth a sociological history of leading American intellectuals of the late 1960s The book's concern however is primarily with time and place While *The American Intellectual Elite* is very much about social circles and the networked small world of intellectuals defined by the institutions such as the journals and magazines around which they gathered the uniqueness of this volume is the recognition that fact must come before theory Thus the collective attitude of leading intellectuals of the sixties are presented in a straightforward and dispassionate manner on topics as diverse as the Vietnam War race relations foreign and domestic policy and the place of intellectuals in the resolution of such issues Now in paperback with a new introduction by the author *The American Intellectual Elite* is an influential work that will be valued by students of sociology members of the intellectual elite and professionals and students of contemporary American history

Modern Community, Virtue, and Conflict: the American Intellectual Elite and the Vietnam War Jan.* Ajzner, 1991 [Race, Justice and American Intellectual Traditions](#) Stuart Rosenbaum, 2018-02-17 Some American intellectual traditions although pristine in appearance are racist at their core This book reveals the racism inherent in those Platonist and Enlightenment moral traditions that motivate much contemporary rhetoric Part One contains five chapters of substantial critique while Part Two contains four chapters of constructive suggestion explaining how indigenous American traditions of thought about morality avoid the racism of conventional Western moral thought that dominates political rhetoric This book because of its focus thesis and brevity will be useful in a number of academic contexts including political science American studies philosophy sociology and also to the larger educated public

Republic of Letters Gilman M. Ostrander, 1999-09 By tracing the rise of a national intellectual elite to the conditions presented by the American Revolution to the nature of eighteenth century educational institutions and the reading that was available in those institutions Ostrander shows how and why literary elites were constituted and what their relationship was to the power structures of that world He also examines the attempts of these elites to form institutions patterned after European models at the same time forge new institutions characteristic of their new nation *Republic of Letters* is a sweeping account of this literary class in the United States the serious writers and readers from Independence to the Civil War

Armor, 1976 [The American Magazine of Art](#), 1925 *The Literary Digest International Book Review* Clifford Smyth, 1923 **The Presidential Campaign of 1968** Lewis Chester, 1969 [Report on Methods of Increasing the Intellectual Interest of Students at the University of Michigan](#) Robert Cooley Angell, 1924 **Whose Welfare?** Steven

Michael Teles, 1996 Few American social programs have been more unpopular controversial or costly than Aid to Families with Dependent Children AFDC Its budget now in the tens of billions of dollars has become a prominent target for welfare reformers and outraged citizens Indeed if public opinion ruled AFDC would be discarded entirely and replaced with employment Yet it persists Steven Teles s provocative study reveals why and tells us what we should do about it Teles argues that over the last thirty years political debate on AFDC has been dominated by an impasse created by what he calls ideological dissensus an enduring conflict between opposing cultural elites that have largely disregarded public opinion Thus he contends one must examine the origins and persistence of elite conflict in order to fully comprehend AFDC s immunity to the reform it truly needs the kind that unites the elements of order equality and individualism central to the American creed One of the first studies to analyze AFDC from a New Democrat position Whose Welfare sheds new light on the controversial role of the courts in AFDC the rise of welfare waivers in the mid 1980s the failure of the Clinton welfare plan and the victory of block granting over policy oriented welfare reform Teles however goes beyond mere critical analysis to advocate specific approaches to reform His thoughtful call for compromise built around the centrality of work individual responsibility and opportunity offers a means for dissolving dissensus and genuine hope for changing an outdated and ineffectual welfare system Based on interviews with participants in the AFDC policymaking process as well as an unparalleled synthesis of the voluminous AFDC literature Whose Welfare will appeal to a wide array of welfare scholars policymakers and citizens eager to better understand the tumultuous history of this problematic program and how it might fare in the wake of the fall elections

Clean for Gene George Rising, 1997-02-19 Most scholars agree that 1968 was a watershed in U S political history And Senator Eugene McCarthy s anti Vietnam War presidential campaign was a main catalyst for the year s events McCarthy s near upset of President Lyndon B Johnson in the first presidential primary in New Hampshire dramatically illustrated the divisions within the Democratic party brought Senator Robert F Kennedy into the race led to Johnson s withdrawal and undercut the radical New Left antiwar movement This work has two main purposes First it seeks to delineate Eugene McCarthy s conservative liberal ideology and in so doing contrast it to the ideology of the New Left antiwar movement And second it seeks to describe the historical context causes important events and effects of McCarthy s 1968 presidential campaign

Shaping Modern Liberalism Edward A. Stettner, 1993 A well researched and pertinent discussion of one of American liberalism s most important exponents Choice A concise intelligent and highly readable study What is fresh and extremely valuable is the flesh that Stettner puts on the bones of the old generalization about Croly and liberalism This is a worthy addition to the literature on this important and influential American thinker American Historical Review

Sociological Methods & Research , 1976 The Sentinellist Agitation in New England, 1925-1928 J. Albert Foisy, 1930
"The End" Appendix Richard Kostelanetz, 1979 **"The End" Essentials** Richard Kostelanetz, 1979

Embracing the Tune of Appearance: An Mental Symphony within **American Intellectual Elite**

In a world eaten by displays and the ceaseless chatter of instant connection, the melodic splendor and psychological symphony produced by the prepared word frequently disappear into the back ground, eclipsed by the constant noise and disruptions that permeate our lives. Nevertheless, set within the pages of **American Intellectual Elite** a stunning literary prize filled with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, that captivating masterpiece conducts viewers on an emotional trip, well unraveling the concealed melodies and profound affect resonating within each carefully crafted phrase. Within the depths of this moving review, we can explore the book is key harmonies, analyze its enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
