American Outpost Upton Sinclair,1932      Great American Outpost Maya Rao,2018-04-24 A surreal lyrical work of narrative nonfiction that portrays how the largest domestic oil discovery in half a century transformed a forgotten corner of the American West into a crucible of breakneck capitalism As North Dakota became the nation s second largest oil producer Maya Rao set out in steel toe boots to join a wave of drifters dreamers entrepreneurs and criminals With an eye for the dark absurd and humorous Rao fearlessly immersed herself in their world to chronicle this modern day gold rush from its heady beginnings to OPEC s price war against the US oil industry She rode shotgun with a surfer turned truck driver braving toxic fumes and dangerous roads dined with businessmen disgraced during the financial crisis and reported on everyone in between including an ex con YouTube celebrity a trophy wife mired in scandal and a hard drinking British Ponzi schemer in a social scene so rife with intrigue that one investor called the oilfield Peyton Place on steroids As the boom receded a culture of greed and recklessness left troubling consequences for investors and longtime residents Empty trailers and idle oil equipment littered the fields like abandoned farmsteads leaving the pioneers who built this unlikely civilization to reckon with their legacy Part Barbara Ehrenreich part Upton Sinclair Great American Outpost is a sobering exploration of twenty first century America that reads like a frontier novel      Memory and Myth David B. G. Fairfax Channing,1923      **Small Victories in a Great Big War** John H. Canfield,2023-05-23 Life for a World War II paratrooper was grave and

perilous John H Canfield's experience was no different. However, this young man found himself in so many crazy, sometimes humorous situations that he almost forgot about how dangerous it was. Filled with pranksters and superiors full of bravado and an unfortunate brush with racial bigotry with a fellow African American soldier, Canfield shares his many stories from basic training and jump school. But his best stories are from the war. From having to translate a dinner for an inebriated superior using his scant French to getting chewed out by none other than General George S. Patton, Canfield shares a wealth of experiences from his WWII tour of the European theater. In *Small Victories in a Great Big War*, John H. Canfield shows that half the battle is surviving and that he did with bravery and flair. Canfield returned home to Connecticut with more than a few amusing anecdotes. John H. Canfield was drafted into the U.S. Army in 1943 and found himself trained as a frontline medic. He then volunteered to be a paratrooper with the very real prospect of jumping out of airplanes in front of and behind enemy lines. Canfield experienced a wide breadth of training, including combat, and felt he was prepared enough or lucky enough to have survived to tell his war stories. While his time in combat was short, his experiences were vast. More than seventy-five years after the end of World War II, John H. Canfield's stories are now shared with the world.
