**I Painted the Light** Jeanne Grimes,2013-05-02 When I was five years old I painted the Light I painted the happy space I went to while being sexually abused by my father When the abuse would start two adorable cherubs would appear and take me by the hands Off we would go into the Light We would fly about and tumble laugh and be filled with joy It was a glorious fun and safe place to be The Light saved me So when I was given the chance to create my first ever painting in kindergarten I naturally wanted to paint this beautiful glowing space I painted the Light I covered every square inch of my flip chart paper with bright yellow paint I was so happy to recreate this space and share it with my dad But my joy was short lived once I actually unrolled my painting at home and explained my bright yellow space to my father His violent reaction became one more incident that further buried the memories of the abuse I tell my story here to help those of you who have also been sexually abused I went beyond the counseling and cognitive therapies and found other spiritual and experiential techniques that brought me to a place of peace and wholeness These practices helped heal my mind my body and my spirit I offer my experiences here so that you may apply them to your own healing journey My goal is to help you see the Light within you to find the peace within you as I have finally found in me May Divine Love be with us on our journey

*Watchman Nee Collection* Watchman Nee,2026-01-03 Watchman Nee is one of the most widely read writers today for his in depth theology and practice for the lives of Christians Regardless of whether one is new to the faith or has been in Christ for many years these writings are solid food for every Christian The passage of time does not age the revelation on the contrary it makes it more practical and useful for our lives We invite you to read these books The Breaking of the Outer Man and the Release of the Spirit Let Us Pray and God s work with great attention God wants to change your life The Breaking of the Outer Man and the Release of the Spirit Every Christian who has believed into Christ and received Him has a desire to grow in Him The greatest hindrances to the experience circumstances and environmental hardships rather they are a mind in need of renewing a will in need of submission to God and an emotion in need of stability In The Breaking of the Outer Man and the Release of the Spirit Watchman Nee provides a clear picture of the need for the breaking of the outer man so that the life of Christ in our spirit can flow out as rivers of living water to refresh and build up

the people of God Watchman Nee provides crucial insight into the biblical revelation of the necessity of the dividing of our soul from our spirit Let Us Pray What is prayer Are we really praying when we pray Do we know the power of prayer These matters and others must be understood if we would have a real prayer life and be effective in prayer In this little volume of collected messages given over a long period of ministry by the author and which are now translated and published in English Watchman Nee shares with us the lessons on prayer that he has learned through the years He considers prayer to be a mystery though not something that is incomprehensible He views prayer as the greatest work to which men are called It is a working together with God Through it God s purpose is accomplished and Satan s intentions are broken And its benefit to the one who prays is something great as well Let us therefore follow the admonition of our blessed Lord who said Rise and pray Luke 22 46 God s work Every Christian must distinguish between God s work and that of the Christian Many Christians to please God try to do God s work And trying to do God s work is dangerous Trying to do God s work can destroy us It leads us to frustrate ourselves and others We must know what God s work is Watchman Nee will teach us through the word of God what is God s work and what is not Distinguishing this can save us a lot of pain and allow us to live in peace Knowing that God is the one who transforms lives that God is the one who heals hearts and families allows us to do our work without getting tired and without frustration
