Doomsday, 1999 A.D. Charles Berlitz,1983 *Heave-Up* Gyeorgos C. Hatonn,1994-08 The 8 Great Debates of Bible Prophecy Ron Rhodes,2014-08-01 You ve heard about the tribulation millennium rapture and antichrist but you may wonder what s all the debating about Do most Christians agree on the big issues And what about other topics dispensationalism interpretive views timing of events are they too complex for most folks to understand Not at all In this concise and easy to read review respected Bible teacher Ron Rhodes identifies eight of the most important end times discussions Avoiding complex arguments he highlights the most important biblical passages summarizes a few of the most popular interpretations and provides succinct conclusions He demonstrates that the Bible s end times teaching is intended to be a blessing for every believer As you compare and contrast the various viewpoints you ll be able to enjoy constructive conversations with other Christians and support your own informed convictions You ll also enrich your reading of the Scriptures and see how passages fit together in God s great plan for the ages *Apocalyptic Fever* Richard G. Kyle,2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In *Apocalyptic Fever* Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more Confront the Now Create the Future Gyeorgos C. Hatonn,1995-06 **A.D. 1000** Richard Erdoes,1995 Tracing the career of brilliant visionary Pope Sylvester II Richard Erdoes has composed a vivid tapestry of a century frighteningly similar to our present one publisher description *Jesus and the End Times* Ron Rhodes,2019-02-26 The One Source You Can Count On for Facts About the Last Days You also must be ready all the time for the Son of Man will come when least expected Matthew 24 44 There is no shortage of writings about the last days often full of speculation and sensationalism Where can we go for information we can trust Join Bible scholar Ron Rhodes for an in depth look at what we know to be certain about the last days based on key teachings directly from Jesus You ll learn what the Lord Himself said about the rapture the tribulation period the second coming the future judgment the millennial kingdom and more So are you ready for what is to come Enjoy a fascinating survey of the end times through the words of Jesus Himself and gain the very best of what you can know about God s plan for the future The Culting of America Ron Rhodes,1994 **Beyond 2012: Catastrophe or Awakening?**

Geoff Stray,2009-05-21 An illustrated encyclopedic overview of the prophecies calendars and theories that indicate the year 2012 is a threshold of great change for humanity Looks at the scientific and anthropological evidence for the rare galactic alignment due to occur in December 2012 Sifts through the catastrophic theories to show what we might really expect in 2012 In December of 2012 the Mayan Calendar s Great Cycle will come to an end Opinion remains divided as to whether apocalyptic scenarios of worldwide destruction or utopian visions of a spiritually renewed humanity will prevail after this key date has passed What is certain however is that a rare galactic alignment will occur one so unique that it is found at the core of many wisdom traditions from around the globe Geoff Stray has been collecting the vast amounts of data relating to the 2012 phenomena since 1982 Far from confining his research to the Maya who provide the most prominent predictions indicating this date will herald significant changes for humanity he has studied the prophetic traditions of other cultures including the Tibetan Chinese Jewish Ethiopian and tribal cultures from around the globe to show the kind of convergence of cosmic purposes happening along a number of parallel tracks This book offers an extensive study of many modern theories including Terence McKenna s timewave zero and Maurice Cotterell s sunspot research as well as anomalous phenomena such as near death experiences and crop circles Sifting through all the scientific research and speculation that the year 2012 has inspired Geoff Stray provides an encyclopedic look at what we might really expect on this pivotal date [An Indian Ephemeric A.D. 700 to A.D. 1999: no. 2. in reporting in school libraries so that children would have some counterbalance to the many paranormal and mystical claims in our society

The End of Time Damian Thompson, 1998 Damian Thompson examines the roots of millennial beliefs and its often unrecognized role in the development of modern society He seeks to answer a number of surprising questions such as Why do calendar changes have such a profound effect upon the human psyche Why does the Catholic church attach such mystical significance to the year 2000 And why do the disembodied spirits channeled by New Age mediums point to the end of this millennium as a time of astonishing earth changes

Investing in the Technologies of Tomorrow Gregory Georgiou, 1994 Virtual Reality genetic engineering high definition television What were once science fiction are now today's reality and could well be tomorrow's greatest investment opportunities Investing in the Technologies of Tomorrow spotlights the technologies which will change the way we live in the 21st century and identifies the companies which will bring these technologies to fruition This fascinating book discusses the money making potential for each technology and provides investors with the tools to select the companies destined to become the Apple Computers and Microsofts of the 21st century According to the U S government the domestic market for emerging technologies will hit 350 billion in annual sales by the end of the century while the world market will approach 1 TRILLION Indeed emerging technologies are important because they could very well determine who wins and who loses the battle for global economic dominance in the 21st century For investors who pick the next technological winners the rewards will be enormous Just look at the huge stock price gains in many technology companies in recent years Genentech up 361% in 16 months Digital Equipment up 917% in 37 months and Wang Labs up 1543% in 34 months Clearly high tech means high profits But investing in the Technologies of Tomorrow is far more than an investment book It is a compelling vision of how technology will change our lives in the 21st century Consider some of the possibilities floating trains that move as fast as airplanes tiny robots that are injected in patients to perform surgeries virtual reality machines that can simulate any human experience ranging from space travel to sex With each technology this book explains the challenges to achieve widespread commercialization Most importantly author Gregory Georgiou an award winning financial journalist pinpoints the companies investors should watch Right now there are dozens of small publicly held companies working on breakthrough technologies Although not every company will hit it big undoubtedly there will be some huge successes Somewhere out there hides the next AT T or Microsoft Technology is the greatest force for change in our lives Whether you are an investor looking for opportunities or whether you simply want to understand the mysteries of the 21st century Investing in the Technologies of Tomorrow will surpass your expectations It is superbly written glimpse into the future
