mystically potent with his dramatic chiaroscuro renderings of moody heavens and skies panoramic vistas and landscapes and grand buildings and interiors all to frame the engaging spiritual dramas of salvation history A moving gallery stroll for young and old alike **The Doré Bible Gallery** Gustave 1832-1883 Doré, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
