Rebel Song Gebre Menfes Kidus, 2015-02-10 REBEL SONG is a collection of poetry essays stories and meditations that reveals a depth of social conviction and the honesty of sincere spiritual struggle Writing from an Orthodox Christian foundation the author provides words of necessary challenge and transcendent hope This is a compilation of philosophical prose revolutionary verse and mystical reflections written by a visionary of peace love and human rights Herein are prophetic insights that will stir apathetic minds and arouse slumbering hearts Provocative incendiary and perhaps controversial this book ultimately resonates with redemptive truth Through candid self reflections and his clarion call to the Gospel of Peace GEBRE MENFES KIDUS reveals the soul and consciousness of a true spiritual rebel

Catholic Heroes of Civil and Human Rights Matthew Daniels, Roxanne King, 2024-09-13 This inspiring work profiles sixteen heroic Catholic men and women who defied the odds to advance civil and human rights around the world Spanning from the birth of the United States to World War II Germany to the current Latin American immigration crisis this book features people whose faith drove them to courageously defend the dignity of the children of God especially the most vulnerable transforming many lives and paving the way for a more equitable society To understand human rights however we need theology Supported by official Church documents each chapter is themed on one of the pillars of Catholic social teaching freedom perseverance hope justice and conscience These

short compelling biographies of figures who exemplify each pillar demonstrate how the teachings of Christ through his Church can drive ordinary believers to do extraordinary deeds Among the heroes are former slave Venerable Father Augustine Tolton Austrian farmer Blessed Franz J gerst tter Native American catechist Nicholas Black Elk Servant of God Dorothy Day Saint Katharine Drexel Saint Teresa of Calcutta and Saint Oscar Romero *The Mystery and the World* Maria Clara Bingemer,2017-02-23 In *The Mystery and the World* Maria Clara Bingemer explores how the place of religion in society has dramatically shifted since the Enlightenment The modern era is characterised by a major change in humanity s fundamental desires that means that reason has taken the place of faith Human beings in their ongoing search for a scientific understanding of the world have drifted away from seeking any essence of transcendence in their lives Bingemer examines this transition and how especially inthe postmodern era it has led to technology and superficial happiness becoming all important as opposed to the more sacred sense of contentment that governed us for centuries prior to the Enlightenment In her discussion however Bingemer demonstrates that we as humans have not lost our innate desire to believe in a higher power and that even in our world of instant satisfaction we still need to fill the void left by religion Through well researched analysis of the modern era and discussion of some of the mystics of more recent times she reveals to readers how our religious belief whilst changed is not dead and is still an important aspect of our existence *Prayer in America* James P. Moore, Jr.,2009-03-12 A stirring chronicle of the spiritual life of a nation *Prayer in America* shows how the faith of Americans from the founding fathers to corporate tycoons from composers to social reformers from generals to slaves was an essential ingredient in the formation of American culture character commerce and creed *Prayer in America* brings together the country s hymns patriotic anthems arts and literature as a framework for telling the story of the innermost thoughts of the people who have shaped the United States we know today Beginning with Native Americans *Prayer in America* traces the prayer lives of Quakers and Shakers Sikhs and Muslims Catholics and Jews from their earliest days in the United States through the aftermath of 9 11 and the 2004 presidential election It probes the approach to prayer by such diverse individuals as Benjamin Franklin Elvis Presley Frank Lloyd Wright J C Penney P T Barnum Jackie Robinson and Christopher Columbus It includes every president of the United States as well as America s clergy immigrants industrialists miners sports heroes and scientists *Prayer in America* shows that without prayer the political cultural social and even economic and military history of the United States would be vastly different from what it is today It engages in a thoughtful timely examination of the modern debate over public prayer and how the current approach to prayer bears deep roots in the philosophies of the country s founding fathers a subject which remains distinct from the debate over church and state **Family Herald** ,1883 **More Than Silence** Patricia A.
