Dos 62 Acumen:

The Diplomatic Presidency Tizoc Chavez, 2022-03-10 President Woodrow Wilson riding down the Champs Elysees in December 1918 to meet with the leaders of the victorious Allies at the Paris Peace Conference marked a break from a long tradition where US presidents directed foreign policy and direct engagement with foreign counterparts was not considered a central duty Not until the arrival of Franklin D Roosevelt's administration over a decade later would this change In The Diplomatic Presidency American Foreign Policy from FDR to George H W Bush Tizoc Chavez reveals the long overlooked history of the rise of personal diplomacy as one of the core responsibilities of the modern president The modern presidency as it took shape during the FDR era is characterized by rising expectations sensitivity to public opinion activism in the legislative arena a propensity to act unilaterally and a vast executive branch bureaucracy all of which contributed to shaping the necessity and practice of presidential personal diplomacy Tizoc Chavez takes a comprehensive approach and provides a thorough archival based examination of the causes that led presidents to conduct diplomacy on a more personal level He analyzes personal diplomacy as it was practiced across presidential administrations which shifts the focus from the unique or contingent characteristics of individual presidents to an investigation of the larger international and domestic factors in which presidents have operated This approach clarifies similarities and connections during the era of the modern presidency and why all modern presidents have used personal diplomacy regardless of their vastly different political ideologies policy objectives leadership styles partisan affiliations and personalities making the practice a central aspect of the presidency and US foreign affairs This cross administration exploration of why the presidency as an institution resorted to diplomacy at the highest level argues that regardless of who occupied the modern White House they turned to personal diplomacy for the same reasons international crises domestic politics foreign leaders seeking them out and a desire for control The Diplomatic Presidency bridges the gap between history and political science by balancing in depth case studies with general explanations of broader developments in the presidency and international and domestic politics for a better understanding of presidential behavior and US foreign relations today

Together We Grow Institutions, Communities, and the Power of Partnership, **The Honorable Merchant - Between Modesty and Risk-Taking** Christoph Lütge, Christoph Strosetzki, 2019-01-11 This volume explores the concept of the honest merchant taking a broad perspective and covering a wide range of aspects It looks at the different types of honest merchant conceptions originating from different cultures and literary traditions The book covers Japanese Islamic Scandinavian Russian German Spanish as well as other aspects and studies different disciplinary backgrounds of the honest merchant such as philosophical economic neuroethical sociological and literary ones The concept of the honest merchant has a long tradition in business ethics In the Hanseatic League and in medieval Italy the ideal of the honest businessman was taught since the late Middle Ages It originated during a time when travelling merchants were often regarded with a sceptical eye The honest merchants of their time however held clear

principles in their business and took responsibility for their community In later times the religious notions of the concept lost their pivotal place to reason and morality This book goes beyond the tradition of discussing business ethics in association with concepts from the Hanseatic League and medieval Italy and puts the central concept of business ethics in a much greater perspective Two Portuguese Exiles in Castile Elias Lipiner,1997 The tenth volume of the Hispania Judaica series is dedicated to Dom David Negro and Dom Issac Abravanel two important Jews from Portugal whose lives present certain similarities Both were involved in Portuguese political plots and intrigues involving the King and the nobility and were both forced to escape as political fugitives to Castille where they attained high positions at the court of Juan I and Isabel I respectively The book is partly based on sources from Portuguese archives particularly the Arquivo da Torre do Tombo which houses one of the richest collections of medieval documents in Europe Some of these sources are published in this book for the first time Proceedings of the American Academy of Arts and Sciences ,1885 **Proceedings of the American Academy of Arts and Sciences** American Academy of Arts and Sciences,1885 **Random House Year Round Crossword Omnibus** Stanley Newman,2007-06 Four books in one Winter spring summer or fall this omnibus of four puzzle books Fun in the Sun Snow Days Spring Fling and Summer Trip offers a welcome break from the ordinary all year round This comprehensive volume features 400 fabulous crosswords Not too hard but not too easy either Stanley Newman s puzzle expertise *Practical Druggist and Pharmaceutical Review of Reviews* Benjamin Lillard,1922 Random House Summer Trip Crosswords Stanley Newman,2005-06 Get in the car and head out for your summer road trip but be sure to bring along Stanley Newman s newest 100 daily size crosswords These fun and clever puzzles perfect for the casual solver and an ideal last minute addition to any beach bag bookbag or handbag **Annual Report for ...** W.K.
