

Doug Aitken

**Annie Dell'Aria**

## **Doug Aitken:**

Doug Aitken Doug Aitken, 2007 Foreword by Glenn D Lowry and Anne Pasternak Text by Klaus Biesenbach Peter Eleey  
Doug Aitken *Doug Aitken* Doug Aitken, *Doug Aitken* Doug Aitken, 2001 Ausstellung u.d.T.: Doug Aitken : metallic sleep  
Doug Aitken, Kunstmuseum Wolfsburg, 2001 The installation *Electric Earth* debuted at the 1999 Venice Biennale brought international recognition to the video and media artist Doug Aitken In the piece a dancer roams a transitory realm of wasted landscapes Aitken whose protagonists are usually natural landscapes and cityscapes here links the electrified structures of our urban world with the nervous system of the human body The piece with its pop surrealist overtones also reveals Aitken's roots as a director of music videos This artist's book laid out in a landscape format presents fascinating views of natural and urban landscapes and structures from the video *Gijs van Tuyl* in his essay writes You don't have to look through it passively from A to Z it offers up a space in which the reader can move freely in order to create a story in the here and now in the flow of time

**Doug Aitken** Daniel Birnbaum, Amanda Sharp, Jörg Heiser, Doug Aitken, 2001-09-13 American video and installation artist Doug Aitken b 1968 exploded onto the international art scene with his multi screen work *electric earth* which captivated audiences at the Venice and Whitney biennales in 1999 This work focused on the bizarre nocturnal experiences of a young man exploring the edges of Los Angeles presenting dream like sequences that rearrange the linear flow of narrative into a series of unforgettable disjointed photographic tableaux Like much of his work it contrasts the high tech speed of contemporary daily life with the monotony of the urban landscape In other works he has explored the eerie deserted atmosphere of Jonestown Guyana the site of the notorious mass suicide of religious cultists *monsoon* 1997 a remote diamond mining region of Namibia closed to outsiders since 1908 *diamond sea* 1997 and the collective dreams of India's Bollywood film industry into the sun 1999 Portraying some of contemporary art's most beautiful imagery Aitken's installations encircle the viewer creating a suspended hyperreal portrait of contemporary life In the survey curator and critic Daniel Birnbaum sets Aitken's art within the context of contemporary philosophy and the work of other recent artists who have explored expanded notions of time and space In the Interview *Frieze* publisher and critic Amanda Sharp discusses the artist's working methods while in the Focus section critic Jörg Heiser looks at Aitken's *i am in you* 2000 a five screen work centring on the imaginative experiences of a young girl For his Artist's Choice Aitken has selected a short story by Jorge Luis Borges whose description of altered realities through the distortions of mirrors and memory echoes the artist's own interests Artist's Writings include Aitken's retelling of an unusual story he once heard from strangers which served as the basis for subsequent video work

**Doug Aitken**, 2014-04-08 The most comprehensive book to date on the innovative multimedia artist Doug Aitken Defying definitions of genre Doug Aitken has explored every medium from architecture and film to installations and interventions While Aitken's work varies in both theme and context his installations share a common thread in their ability to use technology to evoke meaningful personal reactions from the viewer encourage audience interaction and

inspire communal gatherings His films often explore themes of displacement and temporality and through his keen awareness of motion sound and color he creates dreamlike landscapes and the futurist aesthetic for which he has become known This beautifully designed book features visual essays by the artist and surveys his work in all mediums The monograph is organized thematically into the four most prevalent ideas connected with his work inspires thought and will leave readers examining their own relationship to the world around them **Doug Aitken** Aspen Art Museum (Aspen),2006

**Joyce Studies Annual 2022** Moshe Gold,Keri Walsh,2025-01-14 An indispensable resource for scholars and students of James Joyce Joyce Studies Annual gathers essays by foremost scholars and emerging voices in the field **Doug Aitken** Max Hollein,Ulrich Matthias,2015 Civilization raises hopes civilization is terrifying These feelings are palpable in the inimitable works of art by the American artist Doug Aitken His spectacular film and sound works take visitors on a synaesthetic journey around the world and into themselves in an irresistible maelstrom of expressive images and rhythmic landscapes With four expansive film installations and correlating sculptures as well as a site specific sound installation the exhibition will present an overview of the internationally renowned artist s heterogeneous oeuvre throughout the entire exhibition area of the SCHIRN and beyond Aitken s kaleidoscopic universe revolves around life s existential questions yet it does not supply any simple answers Instead the artist lends expression to an almost naive fascination with being human and people s sense of collectivity and cooperation Consequently the recent projects by the Los Angeles based artist have redefined the exhibition format and gained him worldwide attention for instance through the illumination of the exterior walls of museums like at the National Mall in Washington D C or through an elaborately staged happening with the participation of various artists on the Station to Station train journey from New York to San Francisco lasting several weeks Exhibition Schirn Kunsthalle Frankfurt Germany 9 7 27 9 2015 **Doug Aitken** Philippe Vergne,2016 Accompanying the artist s first full scale survey exhibition this generously illustrated book explores Doug Aitken s work across mediums disciplines and themes From photography to architecture and from video to spoken word Doug Aitken has delved into a variety of art forms to create a provocative body of work This volume surveys the full scope and depth of Aitken s work sound pieces sculpture architectural experiments land art and happenings which embrace a collaborative spirit across disciplines and beyond walls to re imagine the nature of what a work of art can be Interspersed with hundreds of color illustrations the book s essays examine the plethora of ideas the artist tackles from environmental decay to the end of linear time and explain how and why Aitken challenges many artistic barriers *Doug Aitken* Steve Erickson,2015 The first book entirely dedicated to the sculptures of multimedia artist Doug Aitken this volume offers an overview of his 3D works and includes a specially commissioned text by acclaimed novelist Steve Erickson Designed in the artist s studio the publication is organized as a graphic novel more than an inventory while offering complete information on the pieces in the index Using words and images technology and human perception to trigger personal reactions from the readers the works are combined here in a new form

assembled as they are in printed form as a Gesamt exhibition one that is unique to the medium of the book Provided by publisher

**Broken Screen** Doug Aitken,2006 To the Chinese people jade is a precious stone endowed with magical properties which encapsulated all that mankind aspires to in terms of character elegance tranquility purity and virtue The Chinese love jade not merely because of its rarity or its luster but because of a deeper aesthetic value Chinese Jade The Spiritual and Cultural Significance of Jade in China presents a comprehensive view of jade and its history in China from Neolithic times to the Qing dynasty It illustrates pieces of jade that are on display not only in the Palace Museum in Beijing but in the many provincial and other museums across China It will help the reader to understand what jade means to the Chinese in China how it is classified and described and where it is found and worked and displayed It has a value beyond that of a simple catalogue and places jade in its natural and central cultural context

Between Film, Video, and the Digital Jihoon Kim,2016-07-14 Encompassing experimental film and video essay film gallery based installation art and digital art Jihoon Kim establishes the concept of hybrid moving images as an array of impure images shaped by the encounters and negotiations between different media while also using it to explore various theoretical issues such as stillness and movement indexicality abstraction materiality afterlives of the celluloid cinema archive memory apparatus and the concept of medium as such Grounding its study in interdisciplinary framework of film studies media studies and contemporary art criticism Between Film Video and the Digital offers a fresh insight on the post media conditions of film and video under the pervasive influences of digital technologies as well as on the crucial roles of media hybridity in the creative processes of giving birth to the emerging forms of the moving image Incorporating in depth readings of recent works by more than thirty artists and filmmakers including Jim Campbell Bill Viola Sam Taylor Johnson David Claerbout Fiona Tan Takeshi Murata Jennifer West Ken Jacobs Christoph Girardet and Matthias Müller Hito Steyerl Lynne Sachs Harun Farocki Doug Aitken Douglas Gordon Stan Douglas Candice Breitz among others the book is the essential scholarly monograph for understanding how digital technologies simultaneously depend on and differ from previous time based media and how this juncture of similarities and differences signals a new regime of the art of the moving image

Doug Aitken Doug Aitken,2010 1000 interviews were conducted in person asking What is your idea of the West This book presents a collective response P 4 of cover

Doug Aitken Doug Aitken,Aspen Art Museum (Aspen, Colo.),2006 Text by Heidi Zuckerman Jacobson

**The Ocean as a Creative Experience** Juergen Claus,2023-03-31 This book by artist diver and editor in chief of an underwater magazine Juergen Claus is a milestone among the books dedicated to the planet sea It is a knowledge rich overview created from facts and experiences of three main themes that have never been described in context Marine architectures from both the Pacific and Atlantic regions have now moved from vision to reality Whether it is a sail shaped architecture in Noumea or a whale shaped one in the Arctic region Special attention is paid by Prof Claus to post disaster architecture The book will encourage young readers to design metabolic buildings themselves That the seascape has also become a fluid studio for visual artists may come as a

surprise The works of art some of which the author has experienced first hand have intertwined with an ecological sustainable way of working And this is also true to a special degree for the sound artists They realize their sonic worlds with recordings from the sounding world underwater a concert hall of hitherto unknown dimensions The author s experience as a professor of media art with students flows into the description of multimedia or media related ocean installations Here the book becomes a stimulus for realizing one s own experiences *Doug Aitken - Alpha* Doug Aitken,2005 [The Moving Image as Public Art](#) Annie Dell'Aria,2021-05-08 This book maps the presence of moving images within the field of public art through encounters with passersby It argues that far from mere distraction or spectacle moving images can produce moments of enchantment that can renew intensify or challenge our everyday engagement with public space and each other These artworks also offer frameworks for understanding how moving images operate in public space how they move viewers and reconfigure the site of the screen Each chapter explores a mode of address that examines how artists and curators leverage the moving image s attentional power to engage audiences create spaces make place and challenge assumptions This book also examines the difficulties and compromises that arise when using urban screens for public art [Exhibiting Cinema in Contemporary Art](#) Erika Balsom,2025-10-01 Whether it involves remaking an old Hollywood movie projecting a quiet 16mm film or constructing a bombastic multi screen environment cinema now takes place not just in the movie theatre and the home but also in the art gallery and the museum The author of this engaging study takes stock of this development offering an in depth inquiry into its genesis its defining features and the ramifications it has for art and cinema alike Through the lens of contemporary art history she examines cinema studies great disciplinary obsession namely what cinema was is and will become in a digital future *Rise* Doug Aitken,2003-06 Doug Aitken makes art at the edge of the world with a kind of primitivism and ritualism unusual for video but mysteriously present in work that hovers at the edge where desert meets sea Rise presents stills and installation shots from rise the mirror moving these restless minds 2 second separation and i am in you alongside an essay and interview with the artist

Thank you for downloading **Doug Aitken**. Maybe you have knowledge that, people have search hundreds times for their favorite books like this Doug Aitken, but end up in harmful downloads. Rather than enjoying a good book with a cup of coffee in the afternoon, instead they juggled with some malicious bugs inside their computer.

Doug Aitken is available in our digital library an online access to it is set as public so you can get it instantly. Our book servers hosts in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Doug Aitken is universally compatible with any devices to read
