Down The Deep Lanes:

Down the Deep Lanes Peter Beacham, James Ravilious, 2008-11-01 **Deep Lane** Mark Doty, 2015-03-31 His best work yet astute contemplative and deeply moving Washington Post Mark Doty's poetry has long been celebrated for its risk and candor an ability to find transcendent beauty even in the mundane and grievous an unflinching eye that as Philip Levine says looks away from nothing In the poems of Deep Lane the stakes are higher there is more to lose than ever before and there is more for us to gain Pure appetite he writes ironically early in the collection I wouldn't know anything about that And the following poem answers Down there the little star nosed engine of desire at work all night secretive in the morning a new line running across the wet grass near the surface like a vein Don't you wish the road of excess led to the palace of wisdom wouldn't that be nice Deep Lane is a book of descents into the earth beneath the garden into the dark substrata of a life But these poems seek repair finally through the possibilities that sustain the speaker aboveground gardens and animals the pleasure of seeing the world tuned by the word Time and again an image of immolation and sacrifice is undercut by the fierce fortitude of nature nature that is not just a solace but a potent antidote and cure Ranging from agony to rapture from great depths to hard won heights these are poems of grace and nobility Field Paths and Green Lanes Louis John Jennings, 1878
