Dattilio,2013-06-29 This is the golden age of cognitive therapy Its popularity among society and the professional community is growing by leaps and bounds What is it and what are its limits What is the fundamental nature of cognitive therapy It is to my way of thinking simple but profound To understand it it is useful to think back to the history of behavior therapy to the basic development made by Joseph Wolpe In the 1950s Wolpe astounded the therapeutic world and infuriated his colleagues by finding a simple cure for phobias The psychoanalytic establishment held that phobias irrational and intense fear of certain objects such as cats were just surface manifesta tions of deeper underlying disorders The psychoanalysts said their source was the buried fear in male children of castration by the father in retaliation for the son s lust for his mother For females this fear is directed toward the opposite sex parent The biomedical theorists on the other hand claimed that some as yet undiscovered disorder in brain chemistry must be the underlying problem Both groups insisted that to treat only the patient s fear of cats would do no more good than it would to put rouge over measles Wolpe however reasoned that irrational fear of something isn t just a symptom of a phobia it is the whole phobia **Until Death Do We Part** Angelica Deveraux,2013-05 After building an empire any woman would be jealous of Angelica is in trouble She s been enjoying a successful career as an architect as well as her fairytale marriage to her high power attorney husband who is a prestigious partner at a New York law firm Angelica fights to save her marriage that is crumbling around her Who should show up to spoil her dream relationship Only Kevin s ex wife and his ex friend Will they be able to work things out and hold on to the vows spoken Until Death Do We Part Angelica Deveraux grew up in Louisiana and now lives in Houston Her dream is to start her own independent record label while still writing books on love and relationships Publisher s website <http://sbpra.com> AngelicaDeveraux **The Great Western Railway Girls Do Their Bit** Jane Lark,2025-09-27 Discover a brand new unforgettable wartime saga filled with courage camaraderie and hope Perfect for fans of Nancy Revell and Daisy Styles 1940 As the Nazi invaders race across Europe the women of the Great Western Railway works pull together like never before Catherine wrestles with self pity after a machine shop accident With her fianc and brothers on the front lines in France she must find a new way to fight on the home front At her side are her steadfast GWR friends among them Maggie facing the loss of her father and family home and Lily desperate for news of her childhood sweetheart All are determined to keep morale high and do their bit to win the war Amid blackout nights and rationed days as the war creeps closer to home these resilient women forge deeper bonds of sisterhood confronting
