All That Blue

Albert A Gayle

All That Blue:

The Heavens Are All Blue Dr Finbar Lennon, Dr Kathleen McGarry, 2020-04-02 When Dr Kate McGarry was diagnosed with an advanced cancer of unknown origin she resolved to write a book to chart her experience as a woman coming to terms with such devastating news and what this meant to her as a wife and a mother but also crucially how she experienced cancer and its treatment as a doctor who had become a patient As Kate adjusted to living with cancer and underwent treatment she enlisted the help of her husband fellow doctor Finbar to help her write the book but then she sadly passed away on the 5 January 2018 With no writing experience and wrestling with his own heartache Finbar set about finishing their story The result is a touchingly beautiful memoir about love grief and togetherness A loving memoir of time spent both together and apart Kate's personal legacy as a mother a wife and the life and soul of the party is recorded beautifully in this moving memoir Sunday Business Post

All Blue So Late Laura Swearingen-Steadwell, 2017-12-15 All Blue So Late presents the panorama of a young woman's life as she struggles to come to terms with her place in the world These poems look to race gender and American identity plumbing the individual's attendant grief rage and discomfort with these constructs The skeleton of this fine collection is a series of direct addresses to the author's fourteen year old self caught at the moment between girlhood and womanhood when her perspective on everything suddenly changes Swearingen-Steadwell's poetic adventures through worlds within and without reveal the restlessness of the seeker They offer unabashed tenderness to anyone who reckons with solitude and chases joy
