A List of Early American Imprints Samuel A. Green, 2015-08-04 Excerpt from A List of Early American Imprints Belonging to the Library of the Massachusetts Historical Society During a long period American books with early imprints have attracted much attention among bibliographers and from time to time lists of such works more or less complete have been published The most nearly full of these lists is the one issued under the editorship of our late associate Dr Samuel F Haven and brought down to the beginning of the Revolution which appears in the second volume of Thomas s History of Printing pp 309 666 published by the American Antiquarian Society In the year 1689 the first printing press in the English colonies was set up at Cambridge and for more than a generation was the sole representative here of 44 the Art preservative of all arts Under a license of the General Court the pioneer press of Boston was established in 1676 by John Foster a graduate of Harvard College in the Class of 1667 While yet a young man with the encouragement of Dr Increase Mather he began as a printer though he was not bred to the business nor specially acquainted with the art In a paper before the Historical Society at the November meeting 1888 I gave my reasons for supposing Foster to have been the earliest engraver in New England and perhaps the natural connection between the arts of printing and engraving strengthened by his own tastes prompted him to take up the calling See Proceedings second series IV 199 206 He died in Dorchester on September 9 1681 at the early age of thirty three having followed the business for six years About thirty five of his imprints are known to be extant and of this number the Massachusetts Historical Library owns more than two thirds About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
