Lyrical Bible Gregory Von Lee,2011-08-31 The author is a hermit A lifetime underachiever A person who learned that you make it in life by hard work smarts and chance Who understands that there are no accidents or luck in life there are only mistakes opportunities and preparation The author does not believe in marriage or relationships because he doesn t want to share 50 50 with no one He only believes in intercourse and the feelings for the moment It doesn t matter how a woman looks That s because the author is more interested in the act and the person than the physical features The author doesn t want his picture in the book because he rather be recognized for his works not his face And he wants you to know in the end where to find happiness It s not in a mate They could leave you one day It s in your babies
