Dooleys Delusion:

Delusions of Competence Robin Pearson,2022-02-09 This book examines the crisis at the famous insurance market Lloyd s of London during the late twentieth century which nearly destroyed the 300 year old institution While rapid structural change resulting from system collapse is less common in insurance than in the history of other financial services one exception was the Lloyd s crisis Hitherto explanations of the crisis have focused on the effects of catastrophic losses and poor governance By drawing on contemporary accounts of the crisis the author constructs the first comprehensive scholarly analysis of the public and political response The book applies theoretical concepts from behavioural economics and economic psychology to argue that multiple delusions of competence were at work both within and outside the Lloyd s market Arrogance elitism and defence of vested interests comprised endogenous elements of the crisis Entrenched ideas about the virtues of self regulation and faith in insider experts also played a role The result was a misdiagnosis by both insiders and politicians of what ailed Lloyd s and a series of reforms that failed to address the underlying causes of its disease This book offers a salutary lesson from recent history about the importance of the transparency accountability and effective monitoring of financial institutions It is of interest to academics and students of economic and financial history business insurance political economy and history

Dooley's Delusion Tom McHale,1971-01-01 **The Irish Voice in America** Charles Fanning,2021-10-21 In this study Charles Fanning has written the first general account of the origins and development of a literary tradition among American writers of Irish birth or background who have explored the Irish immigrant or ethnic experience in works of fiction The result is a portrait of the evolving fictional self consciousness of an immigrant group over a span of 250 years Fanning traces the roots of Irish American writing back to the eighteenth century and carries it forward through the traumatic years of the Famine to the present time with an intensely productive period in the twentieth century beginning with James T Farrell Later writers treated in depth include Edwin O Connor Elizabeth Cullinan Maureen Howard and William Kennedy Along the way he places in the historical record many all but forgotten writers including the prolific Mary Ann Sadlier The Irish Voice in America is not only a highly readable contribution to American literary history but also a valuable reference to many writers and their works For this second edition Fanning has added a chapter that covers the fiction of the past decade He argues that contemporary writers continue to draw on Ireland as a source and are important chroniclers of the modern American experience

Mr. Dooley's Philosophy Finley Peter Dunne,1900 **AB Bookman's Weekly** ,1984 Finley Peter Dunne and Mr. Dooley Charles Fanning,2021-11-21 Finley Peter Dunne American journalist and humorist is justly famous for his creation of Mr Dooley the Chicago Irish barkeep whose weekly commentary on national politics war and human nature kept Americans chuckling over their newspapers for nearly two decades at the beginning of this century Largely forgotten in the files of Chicago newspapers however are over 300 Mr Dooley columns written in the 1890s before national syndication made his name a household word Charles Fanning offers here the first critical examination

of these early Dooley pieces which far better than the later ones reveal the depth and development of the character and his creator Dunne created in Mr Dooley a vehicle for expressing his criticism of Chicago's corruption despite the conservatism of most of his publishers Dishonest officials who could not be safely attacked in plain English could be roasted with impunity in the pure Roscommon brogue of a fictional comic Irishman In addition Dunne painted through the observations of his comic persona a vivid and often poignant portrait of the daily life of Chicago's working class Irish community and the impact of assimilation into American life He also offered cogent views of American urban political life already dominated by the Irish as firmly in Chicago as in other large American cities and of the tragicomic phenomenon of Irish nationalism Mr Fanning's penetrating examination of these early Dooley pieces clearly establishes Dunne as far more than a mere humorist Behind Mr Dooley's marvelously comic pose and ironic tone lies a wealth of material germane to the social and literary history of turn of the century America

The Law Relating to Executors and Administrators Arthur Robert Ingpen,1909 *Mr. Dooley's Opinions* Finley Peter Dunne,Mr. Dooley,1902 **Mr. Dooley and Mr. Dunne** Edward Ifkovic,1979 *Dissertations by Mr. Dooley* Finley Peter Dunne,1906 Mr. Dooley Remembers Finley Peter Dunne,1963 *Mr. Dooley on Making a Will* Finley Peter Dunne,1920 **Lift Up Your Head, Tom Dooley** John Foster West,1993 Tom Dula's trial unveiled a sordid story of sexual immorality resentment jealousy and bitterness and he was convicted and hanged before a huge crowd in Statesville an event that drew national attention The story lived on in time becoming entwined with myth and legend because it inspired a ballad that was sung throughout the mountains **The Leatherneck** ,1966 **Dr. America** James Terence Fisher,1997 The first major biography of the fabled jungle doctor of Southeast Asia Dr America chronicles the life of Tom Dooley whose much publicized exploits in Vietnam and Laos during the 1950s helped lay the ideological groundwork for the U S military intervention a decade later 33 illustrations *The British Columbia Reports* ,1904 *Fads, Follies, and Delusions of the American People* Paul Sann,1967 Includes material on Batman Superman Zorro Hopalong Cassidy Davy Crockett James Bond flagpole sitters the Bunion Derby marathon dancing contests June Havoc Dr Francis Townsend Upton Sinclair chain letters Emile Coue Wilhelm Reich dianetics hadacol ouija boards hula hoops skateboards Mah jongg gold bubble gum silly putty Scrabble frisbees Father Divine Frank Buchman Billy Sunday Aimee Semple McPherson Billy Graham Timothy Leary the hippies the Sixties goldfish swallowing panty raids the funeral of Rudolph Valentino and other topics
