## **Downside Prayerbook:**

Downside Prayerbook Dom David Foster,2006-01-17 This treasury of prayers for the third Christian millennium offers practical guidance for an increasingly busy world The book s extensive range includes favorite Catholic prayers such as the Rosary and the Stations of the Cross along with others that may be less familiar organized under many different themes and topics Helpful introductions and a pattern of daily prayers make this book nothing less than a course in Christian spirituality The book is for people approaching Christian prayer for the first time as well as for those who want to begin afresh It will be especially helpful to young people and the parents and teachers who want to help them learn to pray in the living tradition of the Church

*Minister's Prayer Book* Mary Jane Haemig,Chris Halverson,Robb Harrell,2020-02-04 Since it first appeared in print in 1959 John Doberstein s Minister s Prayer Book has been a devotional classic among Lutheran pastors Written by a pastor for other pastors Doberstein s work recognizes the need for the pastor to drink from a well of rich resources to sustain the spiritual vitality needed to serve faithfully in parish ministry The fact that this manual of devotion is still available more than fifty years later is a testament to the timelessness of the collection Doberstein gathered as well as to his own pastoral acumen Other than a minor revision made in 1986 by Philip Pfatteicher to update the propers there has been no attempt to bring fresh material to Doberstein s work no attempt to update it for a new generation Until now This revised edition recognizes the increasingly diverse face of clergy New resources prayers and readings written by women people of color and Christians from around the world give the collection a broader appeal The beauty of the Minister s Prayer Book is its intentional re centering of the pastor s calling on word and sacrament on pastoral care and on being fully present and engaged in the lives of God s people
