Draft Eu Charter:

Making the Charter of Fundamental Rights a Living Instrument Giuseppe Palmisano (jurist.),2014 Introduction The Charter of Fundamental Rights as a living instrument instructions for use Giuseppe Palmisano The EU Charter moving from a European fundamental rights ornament to a European fundamental rights order Gabriel N Toggenburg The scope and effects of the Charter of Fundamental Rights in the case law of the European Court of Justice Nicole Lazzarini The impact of the Charter of Fundamental Rights on European Union policies and legislation Lorenza Violini The importance of the European Convention on Human Rights for the interpretation of the Charter of Fundamental Rights of the European Union Giovanni Carlo Bruno Implementation and protection of workers fundamental rights innovations in the post Lisbon treaty landscape Maria Elena Gennusa and Andrea Rovagnati Social security social assistance and health care in the Charter of Fundamental Rights Andrea Crescenzi *EU Law* Paul Craig,Gráinne De Búrca,2015 This work provides a clear and insightful analysis of European law accompanied by carefully chosen extracts from a range of materials **EU Law** Paul|Burca Craig (Grainne de),2024 **Texts Adopted** Congress of Local and Regional Authorities of Europe,2009-03-27 This publication brings together the texts adopted by the Standing Committee of the Congress of Local and Regional Authorities of the Council of Europe The Congress a consultative body of the Council of Europe is made up of two chambers one representing local authorities the other the regions Its aim is to reinforce democratic structures at local and regional level and in particular to help the newly emerging democracies in central and eastern Europe The Congress adopts three different types of texts recommendations opinions and resolutions Recommendations are proposals to the Committee of Ministers and their application is left up to each member government Sometimes they are also addressed to other international organisations Opinions usually refer to questions to the Congress from the Committee of Ministers or the Parliamentary Assembly The Committee of Ministers and the Parliamentary Assembly consult the Congress on questions which are likely to affect the competence and the basic interests of the local and regional authorities which the Congress represents Resolutions reflect the decisions that the Congress is authorised to take or make recommendations to local and regional authorities and their associations **Declarations Adopted at European Conferences Organised by the CLRAE (or with Its Participation) July 1998-May 2002** Congress of Local and Regional Authorities of Europe,2002-01-01 The Congress of Local and Regional Authorities Texts adopted Standing Committee 20 and 21 November 2007 14th Session (Addendum 1) BERNAN ASSOC,2008-01-01 **Wyatt and Dashwood's European Union Law** Alan Dashwood,Michael Dougan,Barry J Rodger,Eleanor Spaventa,Derrick Wyatt,2011-06-14 The book holds to its reputation as being both broad and profound the ideal foundation for gaining a deep understanding of EU law *Monitoring Fundamental Rights in the EU* Philip Alston,Olivier De Schutter,2005-02 Coherent laws enforced by a central authority are part of the reason why human rights protection works at the national level in Europe But when it comes to the EU these dimensions are

lacking The present system for protecting fundamental rights emerged on an ad hoc basis with measures being improvised to respond to particular problems In the next couple of years however this situation is likely to change very significantly The proposed European Constitution incorporates the EU Charter of Fundamental Rights and a specialized EU Fundamental Rights Agency is likely to be established As a result the situation of the EU will more closely resemble that of its Member States Fundamental rights will occupy a central role and coherent and systematic arrangements will be in place to protect rights using both judicial and non judicial means The Fundamental Rights Agency in particular has immense potential to ensure effective monitoring of fundamental rights in the EU and to ensure a unified strategy for their promotion in EU law and policy This volume is the first to critically examine the proposals put forward by the European Commission in October 2004 on the creation of the EU Fundamental Rights Agency Leading scholars in the field of European and international human rights law analyse the potential significance of this innovative Agency and seek to locate it in relation to various other human rights mechanisms both in the EU s constitutional structure and within Member States They review the tasks which the Agency could be called upon to perform and make proposals as to how it can function most effectively The relationship of EU law to the international law of human rights emerging from both the United Nations and the Council of Europe is examined The authors also address the challenge of ensuring improved coherence between EU law and the other human rights obligations undertaken by the Member States Taken together these contributions address urgent questions facing the EU at a time when the central unifying function of fundamental rights has been recognized but the way forward remains largely uncharted

European Union Committee, Select Committee On The European Union, 2003 The EU Charter of Fundamental Rights was proclaimed at the Nice European Council in December 2000 Although there has been no decision as yet whether the Charter will be incorporated into EU law this document has
