Dragon Rigger Jeffrey A. Carver,2015-08-06 A realm at war The star dragons struggle under the oppression of an unseen foe a creature of terrible power who seeks to shape all of space time into a web of subjugation and death The Dream Mountain source of knowledge and life to the dragons is held by the enemy and yet hope burns in the dragons hearts According to ancient prophecy One will come from outside to challenge the darkness Star pilot Jael LeBrae may be that savior Once before she aided the dragons in their struggle and now she must return to face at last the terrible wrath of Tar skel But if the prophecy holds true the price of victory over the darkness will be Jael s own life Captivating sequel to *Dragons in the Stars* *Dragon Rigger* is science fiction with mythic dimension from the Nebula nominated author of *Eternity s End* and *The Chaos Chronicles* REVIEWS *Dragon Rigger* is a most excellent adventure that would make a grand movie if it were not that the special effects budget would surely be quite brutal even in this age of computer animation If there is a motto for this novel it is *solidarnosc* solidarity the power to be gained by sticking with one s friends even by sacrificing for the good of others there is immense verve energy momentum and power the reader stays with Carver all the way Thomas A Easton Analog A refreshingly unique setting and excellently realized characters Publishers Weekly

The Dragon s Roar Marissa Lerma,2025-12-10 *The Dragon s Roar* is an exhilarating and imaginative anthology that takes readers on a perilous

journey into the heart of ancient legends where the true nature of mythical beasts and powerful magic is far more profound than feared This collection of captivating tales explores courage perseverance and the surprising revelations that await those brave enough to challenge destiny The book introduces Elara a young sorceress whose eyes the color of storm clouds mirror the tempest brewing in the kingdom of Eldoria Tasked with a seemingly impossible quest Elara ventures into the crumbling tower of the eccentric Wizard Zarthus seeking the fabled Whispering Rune a spell said to calm the legendary Crimson Dragon Ignis whose fiery wrath threatens to engulf the land The wizard's spellbook worn and scarred with what appear to be claw marks offers a chilling prelude to the dangers she faces Accompanying Elara is Pip a grumbling perpetually grumpy griffon whose cynicism is as sharp as his talons yet whose loyalty is as unshakeable as the mountain peaks Their journey is fraught with peril leading them through treacherous snow covered landscapes and across perilous ice bridges of the Whispering Peaks a realm of chilling winds and ancient secrets Elara's quest is not merely to find a spell but to uncover the true essence of Ignis and the nature of the roar itself Upon reaching the summit they discover the dragon's legendary crystal heart pulsating with a gentle rhythm revealing visions that challenge everything Elara believed The dragon once perceived as a destructive force is revealed as a magnificent creature of light and shadow an ancient guardian whose roar is not a testament to destruction but a powerful song of creation a symphony of life itself Elara realizes that her quest was not about conquering a beast but about understanding a profound truth and that the Whispering Peaks hold a hidden beauty waiting to be discovered by those with the courage to listen The Dragon's Roar is a thrilling and insightful adventure that redefines heroism proving that true power lies not in vanquishing mythical foes but in embracing the awe inspiring harmony of the natural world and the boundless spirit of exploration It's a tale that resonates with the echoes of ancient magic and the silent majesty of a world brimming with wonder
