ANGEL READS Auftakt der spicy A DEAL WITH A DEMON Reihe von Bestseller Autorin Katee Robert **The Dragon's Bride** Elle Beaumont, Christis Christie, 2021-06-07 Twisted mages dragons and a sacrificial bride to save the land Every year the villagers of Omdahl pay tribute to their Dragon Master by gifting him with food and jewels for his protection against outside forces For centuries this exchange has taken place This year the neighboring radical mages have grown agitated and have attacked the villagers If matters weren't already dire the land is steadily dying and becoming uninhabitable When the attacks grow more violent the Elders of Omdahl agree the tithe for the Dragon Master will be a bride Imara always knew she was different and the village never ceased to remind her Unable to conjure magic like her fellow seidr's she's a pariah But when the opportunity to save her homeland arises she knows what she must do even if it means becoming the Dragon Master's bride Now to protect all she loves Imara must work alongside the Dragon Master or they risk losing everything Fans of Sarah J Maas Grace Draven Holly Black and Casey L Bond are devouring Christis Christie Elle Beaumont's co-written novel

The Dragon's Bride Katee Robert, 2022-03-29 Briar Rose might have a name out of a storybook but she learned at a very young age that no prince was coming to save her She'll have to save herself Unfortunately even that is an impossible task in her current situation trapped in a terrifying marriage to a dangerous man Desperate times call for desperate measures which is how she finds herself making a deal with a demon Freedom from her husband in return for seven years of service She expects the service to be backbreaking and harsh She doesn't expect to be put on an auction block in a room full of literal monsters and sold to the highest bidder To Sol A dragon He might seem kinder than his fearsome looks imply but she knows better than to trust the way he wants to take care of her or how invested he is in her pleasure In her experience if something seems too good to be true it certainly is Falling for Sol is out of the question She's suffered enough and she has no intention of staying in this realm even if she leaves her heart behind when she returns to her normal life Author note for all tropes tags and CWs please check the author website [The Dragon's Bride and Other Dragon Stories](#) Fiona Macdonald, Ayesha L Rubie, Cosei Kawa, 2017-01-03 Three dragon tales from different cultures Find out how brave Maren defies the terrifying beast on her wedding day how a dragon's granny helps three boys escape his cruel claws and how Tokoyo's quest to free her father sees her defeat the dreadful dragon and free her whole country at the same time Ruby Band

Dragons Live Forever D'Elen McClain, **The Dragon's Bride** Jo Beverley,2005-12-27 One of Jo Beverley's most popular novels a tale of treasure temptation and tantalizing pleasure Con Somerford the new Earl of Wyvern arrives at his fortress on the cliffs of Dover to find a woman from his past waiting for him pistol in hand The magic they once shared was destroyed by youthful arrogance and innocence but can they seize the passion that comes along only once or twice in a lifetime *Dragons Don't Love* Holly S Roberts, **Dragons Don't Forgive** D'Elen McClain, A very special virgin bride is needed to break the curse placed on the dragons After nearly killing his friend's bride Sarn runs from the dragon realm and finds solace in endless bottles of whisky The only thing growing higher than the pile of discarded bottles is Sarn's temper So what's to be done with a man capable of breathing fire and turning into a ten-ton dragon with anger management issues When you're a female wolf shifter tending bar for a bunch of bad-ass immortals you need a little extra attitude to get your point across When Sierra takes interest in Sarn hearts are on the line and fire burns deep as two worlds collide Will the dragon's curse keep these two apart or will Sierra's love do the impossible and change destiny Things might go easier for them both if they could get past the greatest issue *Dragons Don't Forgive* This book contains adult situations and stubborn dragon shifters *Dragons Don't Cry* Book I *Dragons Don't Love* Book II *Dragons Don't Forgive* Book III *Dragons Live Forever* Book IV **Dragon's Bride** Ky Drake,2015-12-08 English lord Logan the Dragon is married to Scottish lady Iona Kre the Dragons Bride They have been married for two years and Iona has some news for the dragon How will he react Will their life ever be the same **The Dragon's Bride** Elena Ashwoodsson, The morning mist clung to the mountainside like a shroud obscuring the ancient stones that marked the boundary between the mortal realm and the domain of dragons Seraphina Blackthorne pulled her woolen cloak tighter around her shoulders as she climbed the winding path each step taking her further from everything she had ever known and closer to a fate she could scarcely comprehend Behind her the village of Thornwick grew smaller with each passing moment its thatched roofs and smoking chimneys a reminder of the life she was

leaving behind The weight of her decision pressed upon her chest like a stone but she forced herself to continue This was her choice her sacrifice and she would face it with the dignity befitting her station as the daughter of Lord Blackthorne The path grew steeper and soon the familiar sounds of village life faded entirely replaced by the whisper of wind through ancient pines and the distant cry of mountain hawks Seraphina paused at a weathered stone marker its surface carved with runes that seemed to shift and writhe in the morning light She could read the old tongue well enough to understand their meaning Here begins the realm of Drakmoor the Eternal Lord of Flame and Shadow A shiver ran down her spine that had nothing to do with the mountain cold For three centuries the dragon Drakmoor had ruled these peaks and for three centuries the villages below had paid him tribute Gold livestock precious gems all had been offered to keep his wrath at bay But this year the harvests had failed the mines had run dry and the people had nothing left to give save that which was most precious of all The Dragon and the Rainbow Robert Blust,2023-08-21 Modernization and conversion to world religions are threatening the survival of traditional belief systems leaving behind only mysterious traces of their existence This book based upon extensive research conducted over a period of nearly four decades brings scientific rigor to one of the questions that have always attracted human curiosity that of the origin of the dragon The author demonstrates that both dragons and rainbows are cultural universals that many of the traits that are attributed to dragons in widely separated parts of the planet are also attributed to rainbows and that the number and antiquity of such shared traits cannot be attributed to chance or common inheritance but rather to common cognitive pathways by which human psychology has responded to the natural environment in a wide array of cultures around the world **Women of Ice and Fire** Anne Gjelsvik,Rikke Schubart,2016-04-07 George R R Martin s acclaimed seven book fantasy series A Song of Ice and Fire is unique for its strong and multi faceted female protagonists from teen queen Daenerys scheming Queen Cersei child avenger Arya knight Brienne Red Witch Melisandre and many more The Game of Thrones universe challenges exploits yet also changes how we think of women and gender not only in fantasy but in Western culture in general Divided into three sections addressing questions of adaptation from novel to television female characters and politics and female audience engagement within the GoT universe the interdisciplinary and international lineup of contributors analyze gender in relation to female characters and topics such as genre sex violence adaptation as well as fan reviews The genre of fantasy was once considered a primarily male territory with male heroes Women of Ice and Fire shows how the GoT universe challenges exploits and reimagines gender and why it holds strong appeal to female readers audiences and online participants The Dragon's Bride - Fantasy Romance Novel Elena Emberhart,2024-11-08 In a world where ancient pacts bind humans and dragons a young woman s destiny is rewritten by love and sacrifice When the kingdom faces the threat of a deadly curse headstrong Aria is chosen as the human bride for Kael a powerful and enigmatic dragon shifter Though their union is meant to secure peace between their people it s built on centuries of mistrust and hidden deception Taken to Kael s lair high in the mountains Aria finds herself torn between duty

and desire as she uncovers the dark secrets of the dragon kingdom Kael is a fierce protector but behind his golden eyes lies a past filled with pain and regret Bound by tradition he never expected to find his heart intertwined with a human especially one as fiery and fearless as Aria Yet the more time they spend together the deeper their bond grows challenging everything he thought he knew about loyalty and love As tensions rise and old wounds resurface Aria and Kael are forced to confront not only their own fears but also a powerful sorcerer who has been manipulating the kingdom's fate from the shadows With the Heartstone's magic unraveling and the very fabric of their world at risk they must choose trust each other and fight side by side or lose everything they hold dear In the midst of danger and desire Aria must make a heart wrenching sacrifice that could save the kingdom or doom it forever Will their love be strong enough to shatter the curse and heal the rift between their people Or will the forces of darkness tear them apart before they ever have the chance to build a future together
