## **Dream Days:**

**Dream Days** Kenneth Grahame, 2017-07-11 *Dream Days* is a collection of children's fiction and reminiscences of childhood written by Kenneth Grahame. A sequel to the 1895 collection *The Golden Age*, some of its selections feature the same family of five children. *Dream Days* was first published in 1898 under the imprint John Lane The Bodley Head. The first six selections in the book had been previously published in periodicals of the day in *The Yellow Book* and *The New Review* in Britain and in *Scribner's Magazine* in the U.S. The book is best known for its inclusion of Grahame's classic story *The Reluctant Dragon*. Like its precursor volume *Dream Days* received strong approval from the literary critics of the day. In the decades since the book has perhaps suffered a reputation as a thinner and weaker sequel to *The Golden Age*, except for its single hit story. In one modern estimation, both books paint a convincingly unsentimental picture of childhood with the adults in these sketches totally out of touch. *The Studio*, 1906 *Powderfinger Albums*, *The Man in the Willows* Matthew Dennison, 2019-02-05 During his regular days in London, Kenneth Grahame sat behind a mahogany desk as Secretary of the Bank of England; on weekends he retired to the house in the country that he shared with his fanciful wife Elspeth and their fragile son Alistair and took lengthy walks along the Thames in Berkshire, tempted by the treasures of hedge and ditch, the rapt surprise of the first lords and ladies, the rustle of a field mouse, the splash of a frog. The result of these pastoral wanderings was his masterful creation of *The Wind in the Willows*, the enduring classic of children's literature, a cautionary tale for adult readers, a warning of the fragility of the English countryside and an expression of fear at threatened social changes that in the aftermath of World War I became a reality. Like its remarkable author, the book balances maverick tendencies with conservatism. Kenneth Grahame was an Edwardian pantheist whose work has a timeless appeal, an escapist whose withdrawal from reality took the form of time travel into his own past. *The Interpretation of Dreams* Sigmund Freud, 1913 **Book Notes**, 1899 *With You* JASHLIN, *With You* is a collection of writings in four different languages which imbibe the feelings and emotions of people from different age groups who chose to spare some time for things they love. This book aspires to imprint the message on reader's mind: No one is You and You matter. So in the buzzing world we live in, pause a little to know yourself. With the blessings and efforts of all, I feel blessed to launch the first edition of my Anthology *With You*, hoping to help the lost souls find themselves. Love and Regards, Jashlin, Compiler **Annual Report** Lancaster (Mass.).
