## **Beyond Church Growth:**

**Beyond Church Growth** Robert E. Logan, 1989 What goals has your leadership team set for your church's future? A 20 percent increase in your attendance? To double your present membership? What about planting new churches in neighboring communities and beyond? Based on God's vision for churches in Matthew 28:18-20, Robert Logan presents sound methods for making disciples, winning the lost for Christ, and planting new churches. He introduces ten principles for church growth, taking you through the action steps necessary for implementing each one and providing the means for evaluation and correction. Robert Logan extends to you this exhortation: If we take seriously the message of Ephesians 3, here's the exciting news: Our cup can never be too large to contain the blessing that God is able to pour upon us. The promise is that God is able to do immeasurably more than all we ask or imagine. Take God at His Word. Ask Him for a new vision for the ministry He's given you. Then watch God work as never before as He leads you. *Beyond Church Growth* Book jacket

**Beyond Church Growth** Robert E. Logan, 1994 *Moving Beyond Church Growth* Mark A. Olson, 2001-12-01 Character development for communities of faith. Mark Olson believes that trying to meet unrealistic expectations for church growth along with expectations that pastors be all things to all people has resulted in low morale, even burnout among clergy, and dissension within congregations. Olson's book argues that church growth models exemplify and exacerbate the tendencies of the modern age and Constantinian Christianity, holding the church hostage to technique and marketing. These assumptions set up pastors and churches for disappointment and failure. But they also, in his opinion, miss an opportunity to envision a faithful alternative to the consumeristic church. Olson's valuable book calls church leaders to faithful, bold, and courageous rethinking of congregational life and witness in substance, purpose, and style. His own 20 years of ministry in rural, suburban, and urban congregations inform an alternative rooted deeply in the past and anchored in strong leadership and worship, but also profoundly compassionate and engaged in the surrounding community. In this model, pastors' primary responsibilities are not to fix everything and everybody, but to enable people to be present to each other and to provide hope.

*Beyond Church Growth* Robert E. Logan, 1990-01-01 Based on God's vision for churches in Matthew 28:18-20, this book presents sound methods for making disciples, winning the lost for Christ, and planting new churches.

*Biblical Church Growth* Gary L. McIntosh, 2003-05-01 Every pastor wants to have a vibrant, dynamic church. There are many popular models for church growth based on outstanding churches led by outstanding pastors. But unfortunately, specific models are temporary and go out of style quickly. Author Gary McIntosh explores the biblical principles for church growth and applies them to today's culture. Instead of concentrating on the ephemeral how of church growth, he focuses on the unchanging why. McIntosh defines church growth as all that is involved in bringing men and women who do not have a personal relationship with Jesus Christ into fellowship with him and into responsible church membership. In other words, church growth is effective evangelism, not a methodology for increasing membership. According to *Biblical Church Growth*, growing churches always evidence a desire to

fulfill the Great Commission by cooperating with God in building a faithful church Using personal stories and current statistics as well as numerous biblical examples the author sets forth ten basic principles that provide an eternal foundation for helping any church large or small achieve lasting vitality and growth *Beyond Church Growth and Decline* Joe Goodwin Burnett,1985 **Moving Beyond Church Growth** Craig L. Nesson,2003 *Growing God's Church* Gary L. McIntosh,2016-01-12 It is no secret that the evangelism methods of yesterday are not yielding the kinds of results they did in the 1970s and 1980s So how are new Christians hearing the Gospel today How are they finding churches And what makes them stay at a church The answers to these questions have the power to dramatically alter the way we do outreach And Dr McIntosh has them Based on ten years of scientific research *Growing God's Church* shows pastors and church leaders how people are actually coming to faith in the 21st century It covers factors such as our motive for ministry the priorities churches set for themselves the reality of churchless Christians generational and gender based differences in evangelism effectiveness the name of your church the influence of pastors and much more The appendix includes a copy of the survey that provides the basis for McIntosh's arguments and an overview of the study is provided in the first chapter *There's Hope for Your Church* Gary L. McIntosh,2012-05-01 A startling 85% of churches in the US are plateaued or declining a trend that has been building for the past fifty years In the face of shrinking attendance and lagging spiritual growth pastors and church leaders are understandably discouraged and demoralized But the first step to turning things around is hope Church health expert Gary McIntosh offers this hope by showing church leaders the first things they need to do to make a new start for their church God can and does restore churches to new life even as he restores individuals The street smart ideas and step by step instructions found in this book are ones that pastors and church leaders can put to use immediately in their churches to bring about solid growth and renewed hope for the future **Beyond the Plateau** Dick Sisk,2015-11-24 Although it seems more and more churches are striving for megachurch status the simple fact is defined by attendance and membership most of today's churches of all denominations are classified as small or medium sized Not blessed with large membership rolls and budgets these churches have issues unique to them In his book *Beyond the Plateau Hope and Help for the Small and Medium Church* author Dick Sisk helps pastors and members of those churches find an edge formula or path to finding renewed church growth Sisk explains the unchanging principles that affect church health When church health is strong so is church growth He discusses principles such as the Prayer Principle the Evangelism Principle and the Visibility Principle After learning about the principles you'll be able to contextualize adapt and implement them in your situation and see what God does If you are tired of trying to press your situation into someone else's mold one that doesn't fit *Beyond the Plateau Hope and Help for the Small and Medium Church* will be a sound investment of your time Dr Sisk not only addresses the issues he offers helpful and useful solutions for pastors and leaders to employ This book is a great gift to the church and those who lead them Danny Sinquefield Senior Pastor Faith Baptist Church Memphis Tennessee **Growing God's Church**

Gary L. McIntosh, 2016-01-19 It is no secret that the evangelism methods of yesterday are not yielding the kinds of results they did in the 1970s and 1980s. So how are new Christians hearing the Gospel today? How are they finding churches? And what makes them stay at a church? The answers to these questions have the power to dramatically alter the way we do outreach. And Dr. McIntosh has them. Based on ten years of scientific research, *Growing God's Church* shows pastors and church leaders how people are actually coming to faith in the 21st century. It covers factors such as our motive for ministry, the priorities churches set for themselves, the reality of churchless Christians, generational and gender-based differences in evangelism effectiveness, the name of your church, the influence of pastors, and much more. The appendix includes a copy of the survey that provides the basis for McIntosh's arguments, and an overview of the study is provided in the first chapter.

*Taking Your Church to the Next Level* Gary L. McIntosh, 2009-09-01 All local churches experience a predictable life cycle of growth and decline. But if a church is on a downward trend, how can it turn around? *Taking Your Church to the Next Level* explains the impact of age and size on churches and outlines the improvements that must be made at each point for a church to remain fruitful and faithful to its mission. McIntosh deftly describes the cycles of fruitfulness and the importance of continual improvement to diminish destructive forces that keep a congregation from its mission. Church leaders, pastors, and all who care about the church and desire to see it experience biblical growth will benefit from the sage wisdom offered in these pages.

**Azusa Street and Beyond** Grant McClung, 2005-12 A collection of essays by men and women who help shape the modern-day Pentecostal Movement. Contributors include Jack Hayford, Wayne Warner, David du Plessis, Maynard Ketcham, Gary McGehee, Vinson Synan, and David Yonggi Cho, among others. *Azusa Street & Beyond*, 1986. *One Church, Four Generations* Gary L. McIntosh, 2002-04-01 The challenge facing today's church is simultaneous and effective ministry to people of four widely divergent generations. More than at any time in history, pastors must plan programs that will appeal to a mosaic of groups and subgroups. This updated edition of *Three Generations Riding the Waves of Change in Your Church* adds an entirely new section on Bridgers, the youngest generation and perhaps the most difficult one to reach for Christ. Characteristics, interests, and values of each group—Builders, Boomers, Busters, and Bridgers—are explored in relation to the historical events and social trends that have shaped them. McIntosh thoughtfully analyzes the factors that influence each generation's relationship to the church, and he gives helpful suggestions for types of ministry and worship styles to draw members of that group. Helpful tables offer summaries of information relating to each generation, including formative experiences, religious characteristics, and methods of ministry. Pastors, church leaders, seminary professors, and students will find *One Church, Four Generations* a valuable resource in mapping out strategies for relevant church programming in the twenty-first century.

**Planting Churches Cross-Culturally** David J. Hesselgrave, 2000-05 Discusses how to plant new churches in North America and around the world by examining important sociological, anthropological, and historical perspectives. Focuses on church planting methods, selecting target areas, using effective resources, and measuring growth.

Also includes data on the sending church and the Christian mission and other related material **Turnaround and Beyond**  
Ron Crandall, 2008 Updating the classic guide to turning around decline in the small membership church this new edition shows what makes a turnaround successful in the long term *Planting and Growing Urban Churches* Harvie M. Conn, 1997-07-01 If the church is to thrive in the twenty first century it will have to take on a new form as it ministers to the 120 million unchurched people in the United States *Planting and Growing Urban Churches* is still virtually the only available text on church planting in North America and beyond In this third edition readers will find material on the importance of healthy biblical change in our churches updated appendices insight on our postmodern ministry context and strategies for reaching new population demographics such as Generation X and Y Pastors ministry leaders and church planters will find the information and advice found in this book invaluable as they carry out their ministries *Look Back, Leap Forward* Gary L. McIntosh, 2001-09-01 The rapid changes all around us in the new millennium may cause one of two errors wishing to return to an idealized past or refusing to look back at all Both patterns of thinking lead to ineffective churches and communities *Look Back Leap Forward* challenges Christian leaders to balance the two extremes look back to find the core values that give meaning to ministry and then use them to build the future and take hold of new opportunities This book s unique focus presents a holistic picture of how lay leadership not just clergy can turn a church around It is packed with practical examples that may be put to immediate use McIntosh a church growth specialist provides step by step guidance to help pastors and lay leaders recognize and defeat enemies of the twenty first century church heal past wounds look back to discover purpose values and vision for the future accomplish more by doing less control finances while leaping forward develop a long range plan for effective ministry *Building the Body* Gary L. McIntosh, Phil Stevenson, 2018-01-02 Just as a physically healthy person at an ideal weight and with good blood pressure and cholesterol numbers might not actually be fit enough to run a 5k so churches can appear healthy with no obvious issues maintaining a healthy size and yet not exhibit fitness A fit church is one that is not satisfied with merely coasting along with no problems A fit church is actively making disciples maturing in faith developing strong leaders reaching out to the community and more *Building the Body* offers pastors and church leaders twelve characteristics of fit churches and shows them how they can move their church through five levels of fitness from beginner all the way to elite just as an athlete through training and practice can become the top in his or her class Includes comparison charts at the end of each chapter so readers can clearly see where their church currently falls and concluding Complete the Progress Chart so that they can see what their goals should be for the future

This is likewise one of the factors by obtaining the soft documents of this **Beyond Church Growth** by online. ### **Beyond Church Growth Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Beyond Church Growth PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Beyond Church Growth PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Beyond Church Growth free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Beyond Church Growth Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Beyond Church Growth is one of the best book in our library for free trial. We provide copy of Beyond Church Growth in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Beyond Church Growth. Where to download Beyond Church Growth online for free? Are you looking for Beyond Church Growth PDF? This is definitely going to save you time and cash in something you should think about.
