Beyond Doubt:

Beyond Doubt John J. Murphy, 2009-11-06 How long has it been since you held a negative thought and responded in a critical way Think carefully Consider all situations a traffic jam a slow computer an unfriendly neighbor a demeaning boss a loss of money an excessive bill a headache a defective purchase a stubbed toe a challenging child Do you find that you experience criticism and judgment frequently Do certain people and situations tend to annoy you Are you someone who gets agitated and stressed often Now stop and imagine a life of honest genuine peace deep stillness boundless joy and imperturbability in any situation Think about how people would treat one another if we all tapped into this God given right Seem impossible What an outrageous concept some might say Such a life could not possibly exist in today's world Centuries millennia in fact prove that the world is in a state of chaos Wars exist all around us Poverty is abundant Crime rears its ugly head from Wall Street to Main Street Violence is witnessed even at peace rallies and in church parking lots People pray and ask for forgiveness and then return to patterns of impatience anger greed doubt and disbelief *Beyond Doubt* offers a simple four step model The Ring of Peace to facilitate inner peace and joy in everyday life The model teaches the seeker how to release any hidden guilt and doubt buried in the unconscious mind thus altering perception of the world It shows people how to see and experience the wisdom and peace of God even in what might now seem like the most difficult circumstances The challenge is to overcome the resistance the human ego puts forth a battle that has been going on in the collective mind since the fall from grace Beware of this constraint learn to understand it and let it go Eternal flow and divine grace will follow Be in Spirit and you are inspired a state of mind where fear and doubt cannot abide
