Beyond Forgiveness:

Beyond Forgiveness Tunde Abednego Samuel, 2017-08-04 Pastor A T Samuel in this book captured very well one of the major problems ravaging Christian homes societies and churches throughout the world today Those problems are related to the lack of the spirit of forgiveness in the daily interaction among people It was Alexander Pope an English poet in the eighteenth century who said that to err is human and to forgive is divine This book shows clearly with numerous references to biblical passages that the wounds caused by lack of forgiveness can be healed only through the intervention of the Holy Spirit Christian brothers and sisters together with others in our societies who are burdened with unforgiveness will gain tremendously by reading this book which is written in simple English and reinforced with many relevant and valuable biblical quotations

Beyond Forgiveness Phil Cousineau, 2010-12-29 If we harbor thoughts of violence or hatred or seek revenge or retribution we are contributing to the wounding of the world if we transform those thoughts into forgiveness and compassion and then move beyond them to actually make amends or restitution we are contributing to the healing of the world This timely powerful and compassionate book helps show us the way Deepak Chopra Nothing will help us survive the present age more than breaking the tragic cycles of violence and revenge that threaten our very existence To do so we must honor our soul s desire for deeper forms of reconciliation a process that Phil Cousineau reveals here as being on the other side of forgiveness in the ancient ritual of atonement His book is a profoundly important contribution to the healing of the world and I give it my blessing Robert A Johnson author of Transformation Inner Work and Owing Your Own Shadow As indispensable as forgiveness has been to the healing process throughout history there is another equally profound action that is needed for ultimate reconciliation which Arun Gandhi grandson of Mohandas Gandhi calls the other side of the coin Turning over the coin of forgiveness we discover atonement the half hidden much overlooked other half of the reconciliation process Beyond Forgiveness shows how acts of atonement making amends providing restitution restoring balance can relieve us of the pain of the past and give us a hopeful future This rich and powerful book includes 15 thoughtful contributions by high profile thinkers and activists including Huston Smith Michael Bernard Beckwith Azim Khamisa Rabbi Michael Lerner Jacob Needleman Michael Nagler Diane Hennacy Powell James O Dea Arun Gandhi Kate Dahlstedt Ed Tick Richard J Meyer Rev Heng Sure Douglas George Kanentiio and Katharine Dever Atonement is put forward as a process that we must all learn to practice from individuals to nations if we are to heal our wounds and move forward

Beyond Retribution Christopher D. Marshall, 2001-06-08 Recently a growing number of Christians have actively promoted the concept of restorative justice and attempted to develop programs for dealing with crime based on restorative principles But is this approach truly consistent with the teaching of Scripture To date very little has been done to test this claim Beyond Retribution fills a gap by plumbing the New Testament on the topics of crime justice and punishment Christopher Marshall first explores the problems involved in applying ethical teachings from the New Testament to

mainstream society He then surveys the extent to which the New Testament addresses criminal justice issues looking in particular at the concept of the justice of God in the teachings of Paul and Jesus He also examines the topic of punishment reviewing the debate in social thinking over the ethics and purpose of punishment including capital punishment and he advocates a new concept of restorative punishment The result of this engaging work is a biblically based challenge to imitate the way of Christ in dealing with both victims and offenders **Light from Beyond** Patience Worth (Spirit),1923
