## **Beyond Jesus:**

Beyond Jesus Patricia A. Pearce, 2018-07-03 In the crucible of grief following a friend's death Presbyterian pastor Patricia Pearce sensed a dimension of existence beneath her ordinary perception and became resolved to discover it. She soon found herself in a vortex of revelatory dreams, synchronicities, energy openings, and insights that shattered her worldview, exposed a unified Reality of Love, and unveiled the illusory nature of the ego and the world it has created. Faced with these discoveries, she struggled to remain in a religion that she now realized has been shaped by the very ego consciousness Jesus transcended and urged others to abandon. Enlightening, revelatory, and bold, *Beyond Jesus* reveals how our political and religious institutions are an outward manifestation of the inner beliefs we hold about who we are and that beneath the layers of dogma about Jesus lies a key to our spiritual evolution and the astonishing possibility it holds for the future. **Jesus Beyond Christianity**

Gregory A. Barker, Stephen E. Gregg, 2010-01-29 For the first time classic readings on Jesus from outside of Christianity have been brought together in one volume. *Jesus Beyond Christianity: The Classic Texts* features significant passages on Jesus from Judaism, Islam, Hinduism, and Buddhism. The fifty-six selections span two millennia of thought, including translated extracts from the Talmud and the Qur'an and writings by Mahatma Gandhi and the 14th Dalai Lama. The volume features fresh translations of important texts, key issues, introductions, questions for discussion, and guides for further reading. Importantly, each set of readings ends with an entirely fresh reflection from a leading scholar in the field. Every care has been taken to present these often controversial passages in a manner consistent with the aims of their authors; accompanying notes directly address challenging issues. This unique collection of readings promises to become an essential resource in the study of the world's religions, providing rich guidance for anyone seeking to understand the central convergences and debates between religious traditions. *Beyond Jesus* Gareth Lewis, 2005-03-25 **Beyond Violence**

Gerard Vanderhaar, 2013-09-01 Apocalyptic voices grow louder as we enter the new Millennium, promising dire consequences for the fate of humanity, our planet, and our civilization. But theirs are not the only voices around. There are voices that are equally strong and full of hope, courage, and conviction. Gerard Vanderhaar's voice is not apocalyptic but prophetic and full of passion. He proposes a new direction, one that will lead to a more workable world than that of the Nonviolent Christ. Vanderhaar shows how figures like Mahatma Gandhi, Martin Luther King, Dorothy Day, and others have taken the example of the Nonviolent Christ as their guide for living and working justly and courageously in the world. He then offers suggestions for incorporating gestures of peace and words of compassion and justice into our daily dealings at home, at work, with difficult people, and as part of the political process. He also shows how our attitudes toward money, time, and people can deeply influence our effectiveness in working for a better future. **Beyond Male and Female?** Sam Ashton, 2023-09-21 In this incisive work, Sam Ashton provides a compelling, consistent, and erudite argument for a foundational approach to the matter of sexual difference, drawing on biblical and doctrinal material and using resources in their original languages. He tracks and

traces the sexed body as it moves from creation through the fall to redemption now and final consummation not yet In doing so Ashton presents what is perhaps the strongest case that can be made for male and female He created them Each chapter privileges biblical exegesis drawing upon figures in church history notably Augustine and Aquinas as and when they illumine Scripture By doing so the book considers the difficulty presented to sexual dimorphism by the phenomenon of intersex Ashton seeks to develop an understanding that is generous inclusive and affirming so he works carefully through the writings of Thatcher Song and Cornwall in a way that invites engagement and dialogue With the complete divine drama in view the book offers synthetic judgments about what remains essential for the structure of the sexed body as it travels through history and what may be accidental to the sexed body s direction within a particular theo dramatic act Ashton concludes by considering ways to transition from dogmatic judgments about intersexuality to the moral pastoral care of concrete intersex individuals briefly thinking about the complex matter of marriage

*Beyond the Cross* Alfred Prempeh-Dapaah,2014-08-14 It is about life beyond the cross The book takes us through some of what the cross of Calvary actually means and the stages of the life of Christ before on and beyond the cross after his resurrection and ascension to heaven In other words Jesus Christ before the cross was not the same as he hanged on the cross neither was he the same Jesus Christ after his resurrection and ascension to heaven 2Corinthians 5 16 It is also an effort to throw some light on the cross of Jesus Christ and its connection to Gods plan and power of salvation for mankind much more it shares to reveal the rightful position of power and authority of the New Creation in Christ and how he or she can operate in the realms of Gods glory right here on earth

**Beyond the Galilee** Mike Nach, 2025-08-24 What if the Jesus you thought you knew was only half the story? In the New Testament, he is the gentle teacher, miracle worker, and Son of God, preaching love, mercy, and forgiveness. But what about the thirty silent years the Bible leaves unexplained? Where was he, and what was he learning? This book reimagines those hidden years, suggesting that Jesus may have traveled east, immersed himself in mystical traditions, and discovered the source of his extraordinary power. You will have the opportunity to uncover the mystical traditions that guided Jesus in his journey toward spiritual enlightenment. And that's not all. The long-buried Gnostic Gospels, unearthed in the deserts of Egypt, reveal a Jesus unlike the one described in familiar Sunday sermons. Here is a teacher who doesn't just comfort the weary; he dares to challenge, awaken, and unveil truths that sound almost otherworldly. Daring, imaginative, and thought-provoking, this book invites you to step beyond the familiar story and encounter a Jesus you've never met before. Inside, you'll find two chapters dedicated to guided meditation and a set of daily spiritual practices crafted in the spirit of what Jesus might have learned from his Eastern teachers, yet made simple for today's reader. Over time, these exercises deepen awareness, expand compassion, and awaken spiritual perception. The more faithfully they are practiced, the more one feels the same power Jesus carried when He returned to Galilee: serenity, clarity, and a love that heals. You're also invited to explore the mysterious depths of the Gnostic Gospels, unveiling a whole new side of Jesus. This journey isn't about picking one version of Jesus over another; it's about embracing every layer: the bold, mystical, and liberating teacher who came not just to redeem but to spark a profound awakening within each of us.

**Queering Christ** Robert E. Goss, 2007-01-01 In *Queering Christ*, Robert E. Goss summarizes a decade of his thinking as a queer Christian theologian, sharing his queering of four critical areas: sexuality, Christ, the Bible, and theology. These areas form the quadrants of his own spirituality, which aims at the queer reconstruction of Christianity and reflects a life that strives to integrate the depths of spirituality and sexuality with a practice of justice. Many

aspects of the work are guaranteed to be highly controversial within and outside of the LGBT community *Beyond the Shadow; Or, The Resurrection of Life* James Morris Whiton, 1898 Four Views on Moving Beyond the Bible to Theology Gary T. Meadors, 2009 *Four Views on Moving Beyond the Bible to Theology* evaluates interpretive models of applying biblical texts and provides perspectives on questions of moving from Scripture to theology *Beyond the Stars* Archibald McCullagh, 1887 **Beyond**, 1988 *Beyond Apathy* Elisabeth T. Vasko, 2015-01-01 Theological conversations about violence have typically framed the discussion in terms of victim and perpetrator Such work while important only addresses part of the problem Comprehensive theological and pastoral responses to violence must also address the role of collective passivity in the face of human denigration Given the pervasiveness of inaction whether in the form of denial willful ignorance or silent complicity a theological reflection on violence that holds bystanders accountable especially those who occupy social sites of privilege is long overdue In *Beyond Apathy* Elisabeth T Vasko utilizes resources within the Christian tradition to examine the theological significance of bystander participation in patterns of violence and violation within contemporary Western culture giving particular attention to the social issues of bullying white racism and sexual violence In doing so she constructs a theology of redeeming grace for bystanders to violence that foregrounds the significance of social action in bringing about God's basileia *David Friedrich Strauß, Father of Unbelief* Frederick C. Beiser, 2020-08-27 David Friedrich Strauss is a central figure in 19th century intellectual history The first major source for the loss of faith in Christianity in Germany his work *Das Leben Jesu* was the most scandalous publication in Germany during his time His book was a critique of the claims to historical truth of the New Testament which had been the mainstay of Protestantism since the Reformation As the father of unbelief his critique of Christianity preceded that of Nietzsche Marx Feuerbach and Schopenhauer His views imposed a harsh fate upon him he was persecuted for his beliefs by religious and political authorities and was denied employment in the university and government forcing him to live as a free lance writer He led a wandering and isolated life as an outcast Here Frederick C Beiser studies the intellectual development of Strauss and recounts his fate which began in faith as a young man but finally ended in unbelief **Are You Following Jesus Or the Church?** Donald Werner, 2020-01-26 *Are You Following Jesus or the Church* There is a difference between what Jesus taught and what the Church is teaching The Church tells us that we are free from the Law Jesus told us to keep the law The church tells us that we must worship the Trinity Jesus told us to worship Yahoveh alone The church has decided to create its doctrines based on Paul's letters to the exclusion of Jesus words The church claims it loves Jesus but it ignores much of what Jesus said especially in regards to the keeping of God's law and worship Yahoveh alone These differences are irreconcilable How do we solve these differences We don't We must simply look at the facts and choose for ourselves We must choose to follow Jesus teachings or choose to follow the Church's teachings And if we choose to follow Jesus teachings we will separate ourselves from Christianity But the reward makes it well worth the cost Read this book and you will see that we don't have a choice if we want to gain eternal

Donders,1984-01-01     **Restoring Lost Truths** Donald Werner,2016-02-29 The Book of the Revelation tells us that Satan deceives the whole world and causes them to wonder after the Beast follow his teachings and that s happening today What are those teachings that have deceived the whole world Surprising enough those false teachings are coming from within the church which left its Apostolic Hebrew Roots This Book will shock amaze and bless you It will reveal to you critical Biblical truths that were lost or perverted over the centuries These lost truths have caused some of the churches core doctrines to no longer be in harmony with the Scriptures Those that are deceived by the false teachings revealed in this book are unknowingly on the Broad Way leading to destruction they have accepted a false God and a false Gospel What is revealed in the book is staggering you will wonder how could this happen Then you will ask yourself Could I be deceived This book will challenge your beliefs and your understanding of God     The Church of Christ Thomas Wharton Phillips,1909
