Beyond Offending Behaviour

John L. McMullan

Beyond Offending Behaviour:

Beyond Offending Behaviour Mark Drakeford, Maurice Vanstone, 1996 This book sets out the social and economic circumstances which dominate the lives of people who appear before the courts It links together contemporary theory and practice examples to argue that workers in this area must address those circumstances

Beyond Offending Behaviour Mark Drakeford, Maurice Vanstone, 1996 Examining such areas as the criminal justice system poverty employment training and offending housing and health this study explores the field of social work

Juvenile Delinquency in Europe and Beyond Josine Junger-Tas, Ineke Haen Marshall, Dirk Enzmann, Martin Killias, Majone Steketee, Beata Gruszczynska, 2009-12-15 Juvenile Delinquency in Europe and Beyond Results of the Second International Self Report Delinquency Study presents the status of juvenile crime and delinquency and its backgrounds in many of the European Union member states as well as in the United States Canada Venezuela and Surinam The book includes information on key issues in juvenile delinquency such as victimization of young people alcohol and drug use and its relation to juvenile crime involvement in youth gangs immigration family and school and neighborhood situations It provides insight into different views on what can be considered juvenile crime what acts are subsumed in its definition and when we can speak about structural delinquent behavior These insights are based on self reported information systematically and simultaneously collected from about 70 000 12 15 year old youths in 28 countries Until recently the self report methodology has not been applied on such a large scale in an international context The results of this survey provide new and unexpected data about those young people who structurally commit criminal acts as well as on the frequency of the behavior and the conditions that have an impact on offending The wealth of descriptions and insights in delinquency of all these countries will be of great interest to scholars students and practitioners because of the special character of the publication it is a book of reference to everyone interested in the backgrounds of juvenile delinquency

Criminal Psychology and the Criminal Justice System in India and Beyond Sanjeev P. Sahni, Poulomi Bhadra, 2021-10-01 This book provides a focused and comprehensive overview of criminal psychology in different socio economic and psycho sociological contexts It informs readers on the role of psychology in the various aspects of the criminal justice process starting from the investigation of a crime to the rehabilitation or reintegration of the offender Current research in criminology and psychology has been discussed to understand the minds of various offenders how to interact with them during investigation and conviction effectively and how to bring about positive changes in various stages of the criminal justice process investigation prosecution incarceration rehabilitation to increase the efficacy of the correctional system and improve public confidence in the justice system It thoroughly addresses the bigger issues of holistically reducing the increase in crime rates and susceptibility in society Each chapter builds on leading scholarship in this field from Western scholars and supplements these theories with research findings from a South Asian perspective particularly in the Indian criminal justice system This book successfully encapsulates the foundations of criminal psychology

literature while incorporating interdisciplinary avenues of study into criminal behaviour and legal psychology bringing into the provincial discourse lacunas of the justice system and avenues for alternative correctional and rehabilitative programs

Offending Behaviour Emma J. Palmer, 2003 Reviews the relationship between psychology moral reasoning theory and offending behaviour while setting out the theory and research that has been conducted in the field and examines the ways in which this knowledge has been used in practice to develop treatment programs for offenders The author pays particular attention to Kohlberg s theory of moral reasoning providing a link between this theory and developmental psychology along with a review of more recent critiques of this theory and an analysis of the difficulties of assessing moral reasoning

Beyond Law and Order Robert Reiner, Malcolm Cross, 1991 Part of a series which explores contemporary sociological issues this volume examines criminal justice policy and politics in the UK looking to their development into the 1990s

Internal Security Beyond Borders Olivier Brenninkmeijer, 2001 Challenges to internal security in Europe including juvenile delinquency anti foreigner sentiments violence organised crime etc are increasingly affecting public perceptions of safety This book provides an overview of the challenges to internal security and argues in favour of a more comprehensive understanding of what internal security entails and what should be kept in mind when looking at crime statistics or when discussing offending behaviour by foreigners It concludes that public concerns about insecurity need to be taken more seriously and that to meet future security needs it is necessary to look beyond the traditional confines of police jurisdiction and national territory Instead security efforts should address international as well as local challenges that influence subjective feelings of security and affect actual conditions of public safety In other words internal security is no longer an internal affair of individual countries It has become an international concern that requires both local as well as Europe wide and global attention

Beyond Adrenalin, Testosterone and Repressed Memories Lindsay Fitzclarence, 1995 **Beyond Access** Samantha Hellawell, 2001 Encouraging the use of new technology involves more than just making it accessible Many excluded groups feel there is little point in attempting to access new technologies There is little relevant content on the internet which is market driven and aimed at affluent customers

Beyond Behavior Modification Joseph S. Kaplan, Jane F. Carter, 1995 **Beyond the Limits of the Law** John L. McMullan, 1992 McMullan attributes corporate crime to a process whereby the accumulation of capital takes precedence over human safety He concludes that the scope and seriousness of corporate crime is enormous far exceeding that of conventional crime

Beyond Retribution Traggy Maepa, 2005 This monograph argues that internationally restorative justice has been carefully considered and a high degree of consensus about the approach exists South Africa is now well positioned in terms of the policy environment existing practice as well as practitioners perceptions for using restorative justice methods in the day to day handling of criminal offences In doing so the main challenge will be providing effective training on the aims outcomes and applications of the process
