Beyond The Dreaming:

Beyond Dreaming - An In-Depth Guide on How to Astral Project & Have Out of Body Experiences Gene Hart, 2021-05-26 REVISED EDITION 2024 Are you having no luck with Astral projection Discover the spiritual and wholesome approach to attaining out of body states of awareness which leads to more vivid and profound experiences The approach in this book is on the practical understanding of out of body consciousness rather than on intellectual debate or speculation It aims to address frequently asked questions that Gene has received from hundreds of people struggling to achieve Astral projection As explained in the book Through practical understanding alone we get rid of the need for ineffective methods and complex practices which harbour self doubt often seen in books which promise quick results through techniques backed by little explanation When we instinctively comprehend the mechanics behind out of body experiences we adopt our own intuitive practice Furthermore the book explores the difference between lucid dreaming and out of body experiences and how both these phenomena serve a significant purpose towards our spiritual progress One way to understand this is through realising that most of us are in a continuous dream like state that often has a firm grip over our awareness while we re awake and also while we re asleep this is key in understanding how to go beyond layers of subconscious perception in order to reach higher objective states of consciousness If we wake up out of our dreams during the day then we also have more chance of becoming conscious during our dreams at night too As Above So Below Learn about how following the path of Astral projection enhances our mental emotional and physical health and overall quality of waking life the practice does not just apply to our non physical experiences during sleep Gene s knowledge is based on over a decade of deep meditation hundreds of out of body experiences and several years spent being part of a Gnostic group He has only one wish for you to experience conscious out of body travel with all of your senses in tact just as you are here and now reading this Below are just some of the things you will learn in this guide Overcoming fear of the other side How to rely on intent rather than methods Several step by step methods and exercises How meditation greatly benefits Astral projection Analysing and understanding your failed attempts How to stay grounded and present once out of body How dreaming at night is no different than when we daydream How Astral projection is a deeply spiritual practice of self realisation Gene is dedicated to helping others achieve Astral projection and has provided contact details and extra resources at the end of the book

Beyond the Dreaming Mary Groves, 2025-05-11 Beyond the Dreaming This odyssey began in Melbourne at the end of WWII It is the sequel to An Outback Life a 2011 best selling autobiography In its 45 chapters Mary depicts the end of her 40 year struggle to survive in business and rear a family on various cattle stations in the male dominated Northern Territory Australia s last frontier Mary Grew up living and learning among the Aborigines and in doing so developed an intimate understanding of the land and its people Subsequently her fascination with spirituality telepathy and energy healing developed exponentially Here Mary shares part of her very personal journey as she travels the world to follow this path of

discovery See how she leaves the Territory and makes a new life as a Cellular Memory Release therapist in Queensland Sometimes incredible sometimes familiar enjoy the highs lows humour and tears as Mary confronts and shares soul searching issues that most prefer to avoid This is an adventurous search for survival truth and spiritual enlightenment from one individual across one country and one century to the next It s a sharing by an increasingly inquisitive soul on a journey from the city to the bush and back again

Beyond The Dreaming: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Beyond The Dreaming : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Beyond The Dreaming : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
