Beyond The Canvas:

BEYOND THE CANVAS DR. Renuka Parmar,2023-06-01 An artist does not produce the visible he renders things visible He reveals what we cannot see He opens our eyes blinded by habit He advances into the very heart of creation He grasps life s hidden forces and reveals them on canvas Govind Madhav Solegaonkar Beyond the Canvas is a narrative account of the life story of the master artist Govind Solegaonkar as seen through the eyes of his youngest granddaughter Renuka Govind Solegaonkar 1912 1986 was an artist who made a significant contribution to Indian art An alumnus of the JJ School of Art and later the president of the Indian Art Society Solegaonkar s life was the epitome of burning passion and complete dedication to art Renuka a doctor and an artist herself was two years old when Govind Solegaonkar passed away Having known her grandfather only through his paintings Renuka wanted to understand him and his life better Feeling stuck in her artistic journey she was looking for answers to questions about the meaning of art artistry and the pursuit of one s passion What did it mean to be an artist What does it take to follow one s heart Through Solegaonkar s life story his paintings and his writings Renuka goes on an explorative journey to understand the artist behind the art Mary & Me Beyond the Canvas Susan Van Sleet,2013-01-15 The year was 1966 and Susie a senior in high school found herself with a new label unwed mother It was an era of silent surrender and Susie was forced to leave home and move in with her aunt for three months of seclusion until her baby was born and could be put up for adoption She somehow found the inner strength to survive the solitude shame physical changes and the incredible loss of giving up her baby Susie was told to forget about her baby and go on with life but that was impossible While other birthmothers may have turned to alcohol or drugs to deal with their loss Susie transformed her deep longing into art Her most remarkable works were annual paintings of the child she privately named Mary For more than two decades Mary grew to adulthood on canvas And twenty seven years after giving birth Susie would finally meet Mary whose given name was Jeanne in person The resemblance between the woman before her and the woman in the paintings was remarkable and there was a connection of epic proportion between mother and child The adoption experience had come full circle This inspirational memoir sheds new light on the shadowy era of closed adoption and shares how one woman translated her pain and guilt into art *Beyond the Canvas* Dinanath Pathy,2003 The Research Papers Included In This Compilation Offer A Wide Spectrum Of Thoughtful Writing On Visual And Performing Arts Ranging From Silpa Textual Studies Odissi Dance Tribal Rural Arts To Contemporary Painting And Sculpture **Instructional Paper with Examination Questions** ,1917 *The Complete Dressmaker* Clara Elizabeth Laughlin,1907 Practical Guide to Scene Painting and Painting in Distemper F.
