The Amazonian "Other" Aleksandra Wierucka, 2024-08-07 This book explores representations of Amazonian Indigenous peoples in contemporary cultural texts It analyzes a variety of mediums from novels and films to games and exhibitions uncovering a distorted image of Indigenous peoples of the Amazon in Euro American common imagination The author suggests that these texts rely on a stereotypical vision that was shaped in the first decades of colonization The chapters consider the formation of the image of Amazonian Indigenous people throughout history and some of the contemporary issues they face touching on daily life and themes such as shamanism and cannibalism Together they highlight the misrepresented image of Indigenous groups in the Amazon who are portrayed as different even strange in relation to Western culture The argument put forward is that both exotic and self exoticization rely on the notion of otherness leading to romanticization patronization and caricature The book will be of particular interest to scholars of Indigenous studies Latin American studies cultural studies anthropology and comparative literature

God in the Rainforest Kathryn T. Long, 2019-01-10 In January of 1956 five young evangelical missionaries were speared to death by a band of the Waorani people in the Ecuadorian Amazon Two years later two missionary women the widow of one of the slain men and the sister of another with the help of a Wao woman were able to establish peaceful relations with the same people who had killed their loved ones The highly publicized deaths of the five men and the subsequent efforts to Christianize the Waorani quickly became the defining missionary narrative for American evangelicals during the second half of the twentieth century *God in the Rainforest* traces the formation of this story and shows how Protestant missionary work among the Waorani came to be one of the missions most celebrated by Evangelicals and most severely criticized by anthropologists and others who accused missionaries of destroying the indigenous culture Kathryn T Long offers a study of the complexities of world Christianity at
