## **Beyond The Guru:**

**Towards Realisation Of Truth** Ramesh Joshi,2024-03-15 It is a collection of essays notes and poems in English dealing with the author s contemplations about various issues of life The main focus is to try to realise the ultimate Truth of life The Truth is everlasting in the universe not the untruth Mundaka Upanishad makes it amply clear The worldly matters are deceptive but attractive in the beginning but painful at the end One s aim in life should be to realise this ultimate Truth It the book is a humble attempt in this direction

**Multiple Faiths in Postcolonial Cities** Jonathan Dunn,Heleen Joziase,Raj Bharat Patta,Joseph Duggan,2019-08-01 This book addresses the challenges of living together after empire in many post colonial cities It is organized in two sections The first section focuses on efforts by people of multiple faiths to live together within their contexts including such efforts within a neighborhood in urban Manchester the array of attempts at creating multi faith spaces for worship across the globe and initiatives to commemorate divisive conflict together in Northern Ireland The second section utilizes particular postcolonial methods to illuminate pressing issues within specific contexts including women s leadership in an indigenous denomination in the variegated African landscape and baptism and discipleship among Dalit communities in India In the context of growing multiculturalism in the West this volume offers a postcolonial theological resource challenging the epistemologies in the Western academy

**Gods Beyond Temples** Harsha V. Dehejia,2006 The sacred in the Indian tradition is more an experience than a concept and goes much beyond the narrow confines of an organised temple or even a shrine The gods of this tradition as well as those who hold them sacred are simple and unpretentious yet dignified and self assured Whether it is a tree that is held sacred or a naturally occurring stone that is revered a river that is the embodiment of divinity itself an ancestor that is the embodiment of divinity itself an ancestor that is worshipped a fabric that is simply draped a road side shrine on a busy street or a votive terracota horse that is lovingly made and offered a narrative scroll that holds its audience spell bound here is religion at work that is as spontaneous as it is intense charged with faith fervor and commitment now private and now shared that forms an integral part of the lived lives of these common people be they rural or urban tribal or traditional The rituals and practices for these deities are neither scripted nor canonized but what they may lack in grandeur erudition and ceremony they more than make up in the faith and feeling that they generate In a civilisation which has encountered majestic truths and erected grand temples these sacred manifestations and expressions of the ordinary people tend to be sidelined or dismissed by scholars as well as the world at large as minor or lesser gods worthy of curiosity but not of serious study but it is important to remember that they have a beauty and presence of their own in the pluralistic Indian tradition
