Bi Men:

Bi Men Ron Jackson Suresha, Pete Chvany, 2013-05-13 A moving and pioneering celebration of the male bisexual self that addresses biphobia in our society In today s sexual world both straight and gay and lesbian communities still often refuse to accept the reality of bisexuality **Bi Men Coming Out Every Which Way** confronts head on the limiting views that bisexuality is a transitional phase of sexual evolution or a simple refusal to accept being either homosexual or straight This pioneering collection of moving personal essays by bisexual men and those who love them explores what it means to be bisexual in today s monosexually oriented society The millennial shift in sexual perspectives draws more and more men to come out as being attracted to both women and men Bisexual and bi curious men will find comfort and camaraderie in these stories about coming out its impact on family and marriage evolving perspectives on bisexuals within the LGBT community and the building of acceptance and affirmation for bisexuality and polyamory The nearly three dozen essays in **Bi Men Coming Out Every Which Way** are told in the honest words of bisexuals confirming the validity of their place in the world while illustrating that there are more bi men than anyone ever realized These diverse and pioneering men s stories reveal a long disguised and unconventional truth that bisexuality is a valid lifestyle that does not threaten either sexual camp Each contributor to this collection affirms the innate fluidity of self sexuality family and community and proclaims that sexuality is truly diverse in its predispositions and creativity **Bi Men Coming Out Every Which Way** separates its essays into four parts coming out and personal realization of bisexual nature bisexuality s effects on family and marriage an examination of the shifting viewpoints of bisexuality within gay communities ways in which bisexuals can affirm and respect their own desires and celebrate their sexual selves These intimate stories address biphobia monosexual prejudice the impact on marriage family issues coming out to self spouse and family political and community issues religious and spiritual concerns **Bi Men Coming Out Every Which Way** is a vibrant reassuring call to bisexuals the bi curious or anybody who knows and loves a bisexual bi curious man to read and more completely understand the unique issues of being bisexual while providing the ultimate affirmation of bisexuality s existence

Bi Shiri Eisner, 2013-07-02 Depicted as duplicitous traitorous and promiscuous bisexuality has long been suspected marginalized and rejected by both straight and gay communities alike **Bi** takes a long overdue comprehensive look at bisexual politics from the issues surrounding biphobia monosexism feminism and transgenderism to the practice of labeling those who identify as bi as either too bisexual promiscuous and incapable of fidelity or not bisexual enough not actively engaging romantically or sexually with people of at least two different genders In this forward thinking and eye opening book feminist bisexual and genderqueer activist Shiri Eisner takes readers on a journey through the many aspects of the meanings and politics of bisexuality specifically highlighting how bisexuality can open up new and exciting ways of challenging social convention Informed by feminist transgender and queer theory as well as politics and activism **Bi** is a radical manifesto for a group that has been too frequently silenced erased and denied and a

starting point from which to launch a bisexual revolution

Bi America William Burleson, 2014-04-04 Gain an in depth understanding of the unique struggles of the bisexual community To me the gay and straight worlds are exactly the same equally limited judgmental and bourgeois just mirror images of each other I truly like and overlap with some of the gay world but my roots refuse to take hold there and grow Unfortunately my well established roots in the straight world are simultaneously shriveling and dying too leaving me feeling extremely unstable Cool a bisexual woman involved in a support group There are at least five million bisexual people in America generally invisible to straight society the gay community and even to each other While the vast majority of these five million live within the straight or gay world there are a few who have formed a community of their own Bi America Myths Truths and Struggles of an Invisible Community offers an inside look at the American bisexual community and gives an understanding of the special circumstances unique to being bisexual The book takes the reader to bi community events from picnics to conferences to support groups to performances in order to expose the everyday trials of the bisexual community Bi America includes very personal stories that let the voice of everyday bisexuals be heard through interviews the Bisexual History Project in which ten bisexual people tell their life stories and the Online Support Group a group of about 75 people who meet in cyberspace to talk about their lives and challenges The book also includes the findings of a 2002 survey of about 300 bisexual people conducted via the Internet an appendix that offers a concise list of resources for further study and personal enrichment and an unabridged transcript of the Bisexual History Project Get the answers to these questions in Bi America What is bisexuality Is there a bisexual community What is the culture of the bisexual community What are commonalities and differences between the experiences of bi men and bi women What is the special relationship between the bisexual and the transgender community How have bisexuals and the bi community been affected by HIV AIDS What is the future of bisexual activism if any and many more Bi America is a fascinating resource that exposes the challenges struggles and triumphs of bisexuals in America Bisexuals especially those newly coming out can use this book to help understand their identity and family members and friends seeking some insight into the unique circumstances faced by their loved ones will also find it helpful This book will interest those concerned with the sociology of deviance or with subcultures in general It is also appropriate for undergraduate sociology and cultural anthropology as well as feminist studies and LGBT studies classes This book offers one of the few accessible nonacademic looks at this unique and interesting community Visit the book's Web site at <http://www.bi101.org>

Bisexuality in the Lives of Men Erich W Steinman, Brett Genny Beemyn, 2014-06-03 Explore the theoretical political psychological and cultural issues surrounding male bisexuality Bisexuality in the Lives of Men is the first anthology to focus on men who love both men and women The theoretical scientific and literary essays in this landmark volume dispel the fictions that bisexual men are greedy promiscuous confused deceptive unfaithful HIV positive the dominant images of bisexual men in our culture Whether portrayed as a coward who can't quite come out into full gayness or a smooth talking serial killer the bisexual man has been

vilified in books and movies In scholarly studies they are often ignored or else lumped together with gay men It is now widely acknowledged that human sexuality is more complex and diverse than the narrow categories gay and straight But while the use of the term bisexual has become much more common in the last decade an understanding of bisexuality itself lags far behind A lack of research on how bisexuality is experienced interpreted and encoded in literature film and other aspects of popular culture means that stereotypes stigma and confusion are still prevalent **Bisexuality in the Lives of Men** is a multidisciplinary examination of this neglected topic bringing together expertise reflecting divergent approaches and fields to show the whole bisexual man Topics include a thoughtful review and analysis of the public health research on the role of bisexual men in HIV transmission a study of the marital consequences of a husband s bisexuality including couples who have stayed together an analysis of the heartfelt discussions taking place in an online bi male community an empirical study of the ways that bi negativity differs from homophobia an essay bringing together queer theory and social constructionist ideas to explain why bisexual men are much less visible than bisexual women The rigorously analytical yet accessible essays in this volume offer new information and perspectives about male bisexuality **Bisexuality in the Lives of Men** is an essential resource for anyone interested in the theoretical political and cultural issues of male bisexuality

Bisexuality Beyond Binaries
Lisa Speidel, 2025-03-31 This book brings together a collection of diverse contributors to discuss bisexual erasure and biphobia and how this intersects with racism sexism ableism and transphobia Amplifying the voices of a group often unheard and erased this book explores and celebrates the experiences stories and complexities of bisexual identity providing tools to help dismantle the dehumanization of erasure move beyond the gender binary and increase visibility of multiple bisexualities Beginning by outlining key definitions labels and context each chapter addresses an identity or experience that intersects with bisexual identity such as disability masculinity femininity gender diverse identities media religion dating apps porn non monogamy intimate partner violence aging kink and sex work Each chapter begins with theoretical research before illuminating the personal narratives of bisexual people especially people of color that reflect the negative impact of bisexual erasure as well as the joy beauty and resilience of bisexuality Engaging and powerful this book will help sex therapists students and educators enhance their inclusive and supportive practices It will also be of immense interest to bisexual people so they may see diverse realities celebrating stories of resistance and joy

Bisexual Married Men Robert Cohen, 2023-11-30 How much do you know about the lives of bisexual men who are married to women Do you know any personally Have you seen them represented in the media or pop culture Bisexual people make up a majority of the LGBT community but they are still relatively hidden and misunderstood Robert Brooks Cohen aims to address this invisibility by sharing a collection of interviews with Bi men who are or were married to women helping readers find connection understanding and community Their experience is often erased as not queer enough but these men are queer and they are challenging societal norms in important and innovative ways Written by the host of *Two Bi Guys* this book intersperses

Robert's bisexual journey with the diverse stories of other Bi men to help normalize sexual fluidity and create more awareness and compassion. Each chapter is framed around a bisexual married man's story which touches on an important theme in many people's journey such as coming out, monogamy, intersectionality, porn, marriage, parenting, and finding community with Robert sharing his thoughts, research, and analysis. This book shares interviews with men and a few of their wives from a wide array of cultural and regional backgrounds, religious, family structures, and more, helping bisexual men find pride, validation, and joy in their sexual identity. This book is written about and for bisexual and questioning men so they can see their experience represented. However, it is also for their partners, family, and friends, as well as students, researchers, clinicians with bisexual clients, and allies so that they can better understand the unique challenges of this identity and provide meaningful support.

Bi Men Ron Jackson Suresha, Pete Chvany, 2005. A moving and pioneering celebration of the male bisexual self that addresses biphobia in our society. In today's sexual world, both straight and gay and lesbian communities still often refuse to accept the reality of bisexuality. *Bi Men: Coming Out Every Which Way* confronts head-on the limiting views that bisexuality is a transitional phase of sexual evolution or a simple refusal to accept being either homosexual or straight. This pioneering collection of moving personal essays by bisexual men and those who love them explores what it means to be bisexual in today's monosexually oriented society. The millennial shift in sexual perspectives draws more and more men to come out as being attracted to both women and men. Bisexual and bi-curious men will find comfort and camaraderie in these stories about coming out, its impact on family and marriage, evolving perspectives on bisexuals within the LGBT community, and the building of acceptance and affirmation for bisexuality and polyamory. The nearly three dozen essays in *Bi Men: Coming Out Every Which Way* are told in the honest words of bisexuals, confirming the validity of their place in the world while illustrating that there are more bi men than anyone ever realized. These diverse and pioneering men's stories reveal a long-disguised and unconventional truth: bisexuality is a valid lifestyle that does not threaten either sexual camp. Each contributor to this collection affirms the innate fluidity of self, sexuality, family, and community and proclaims that sexuality is truly diverse in its predispositions and creativity. *Bi Men: Coming Out Every Which Way* separates its essays into four parts: coming out and personal realization of bisexual nature; bisexuality's effects on family and marriage; an examination of the shifting viewpoints of bisexuality within gay communities; ways in which bisexuals can affirm and respect their own desires and celebrate their sexual selves. These intimate stories address biphobia, monosexual prejudice, the impact on marriage, family issues, coming out to self, spouse, and family, political and community issues, religious and spiritual concerns. *Bi Men: Coming Out Every Which Way* is a vibrant, reassuring call to bisexuals, the bi-curious, or anybody who knows and loves a bisexual, bi-curious man to read and more completely understand the unique issues of being bisexual while providing the ultimate affirmation of bisexuality's existence.

Bisexual Men in Culture and Society Erich W Steinman, Brett Genny Beemyn, 2014-05-01. Gain a fresh perspective on this misunderstood sexual orientation. From invisible

to pathological the literary cultural and theoretical representations of male bisexuality have been almost uniformly negative. *Bisexual Men in Culture and Society* provides a clear rational analysis of the negative stereotypes and the underlying reasons for them. The bisexual is the brutal father, the abusive husband, the violent rapist, all familiar figures of male heterosexual power, but he is also the simpering, oral sadistic mama's boy, found in psychoanalytic accounts of homosexuality. Bisexuals are queers with straight privilege, straights with gay chic. Jonathan David White's caustic summary of bisexual men as seen in David Lynch's film *Blue Velvet* also applies to many of the representations of male bisexuality in popular and high culture. The original essays in *Bisexual Men in Culture and Society* deconstruct that dangerous image with blistering force and accuracy. *Bisexual Men in Culture and Society* offers thoughtful, insightful examinations of the cultural meanings of bisexuality, including the recurring figure of the predatory, immoral bisexual man in the novels of E. Lynn Harris, the overlooked bisexual themes in James Baldwin's classic novels *Another Country* and *Giovanni's Room*, the murderous bisexual men in such films as *Blue Velvet* and *American Commandos*, the portrayal in women's magazines of the bisexual husband as a promiscuous, deceitful AIDS carrier, the conflicts within sexual identity politics between gay men and bisexual men, the focus on bisexual orientation rather than sexual behavior as a risk factor for AIDS. *Continuing the Tradition of Bisexuality in the Lives of Men: Facts and Fictions*. *Bisexual Men in Culture and Society* offers a brilliant analysis of the lives of bisexual men and their precarious position within a racist, sexist, and homophobic society. *Women in Relationships with Bisexual Men* Maria Pallotta-Chiarolli, 2016-03-08. Framed by a comprehensive review of international research literature and film, this book is an intimate journey into the experiences and insights of 79 Australian women in relationships with bisexual men. It takes us into the daily lives, sexual intimacies, and families of MOREs, mixed orientation relationships that span the gamut from extremely oppressive experiences with bi-misogynist men to extremely liberating with bi-profeminist men. Aged 19 to 65, the women are in monogamous, open, and polyamorous relationships with bisexual, identifying, and/or bisexual-behaving men. The women themselves are bisexual, lesbian, heterosexual, while others refuse to categorize their own sexualities. The book addresses the discovery or disclosure of the man's bisexuality, how the relationships work and where they flounder, how the partners negotiate and establish new rules and boundaries to maintain their relationship, and the impact of class, rural/urban setting, ethnicity, indigeneity, race, religion, and education on these relationships. But this book isn't only about MOREs. The research revelations and reflections in this book tell us much about current and shifting global constructions and understandings of intimate relationships, sexual desires, and love, and the socio-cultural representations and labeling of genders and sexualities. Bi Men Introduction

In the digital age, access to information has become easier than ever before. The ability to download Bi Men has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Bi Men has opened up a world of possibilities. Downloading Bi Men provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Bi Men has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Bi Men. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Bi Men. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Bi Men, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Bi Men has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.
