## Careless And Loving It Hit and Run Discipleship:

Careless and Loving It (Hit-And-Run Discipleship) Rodney A. Kvamme, 2002 Wait for the ideal is the hiss of the serpent not the voice of God Many a clear and present chance to bring love and joy to others has been missed by waiting for a more ideal opportunity The author maintains that what is needed is more carelessness The Table of Contents displays many playing fields where hit and run discipleship is an admirable option A baseball player will not be an effective member of the team without leaving the security of the plate There are similar risks for a disciple of Jesus The author uses lessons from his own life and asks readers to translate them into their own experience Hopefully they too will be encouraged to become more careless and love it **The National Humane Review**, 1933 **Motion Picture Copyrights & Renewals, 1950-1959** David Pierce, 1989 This annotated reference provides information on the copyright status of over 20 000 features short films television programs and documentaries The United States copyright system allows a film to fall into the public domain if a renewal is not filed in the twenty eighth year after its release Such public domain films may be used by anyone for free but finding out which films are or are not still under copyright can be expensive and tedious This guide alleviates that expense and drudgery by including all motion pictures registered for copyright in the 1950s as well as 500 that were received after 1959 The book also includes an overview of the copyright system and sample certificates All renewals of copyrights are noted allowing readers to clearly see which items are or are not in the public domain Motion Pictures, 1960 *Motion Pictures Library of Congress. Copyright Office*, 1960 **Book Review Digest**, 1931 *Boxoffice Barometer, Combined with Records*, 1957 *The Essential Commandment* Greg Ogden, 2011-09-13 Is it really possible to live out the Great Commandment In this practical in depth handbook which follows the format of his bestselling *Discipleship Essentials* Greg Ogden draws from his years of pastoral experience training and discipling others to help us be changed by Christ into people who love God and others with all that we are Delight! Justin Rossow, 2020-09-10 You bring God joy And God intends the feeling to be mutual This book will help you lean into Joyful Delight Thoughtful Delight Playful Delight Delicious Delight and Desirable Delight in your life with God Delight invites you into a real accessible and down to earth way of experiencing the adventure of following Jesus Of course you will know struggle and failure Of course you will know grief and shame But you don t have to carry the burden of getting your faith walk right you already make Jesus jump for joy and sing his happy song The Creator of the Universe thinks you re something special Even when life is confusing or difficult the Spirit is shaping you with care and delight Are you tired of religion Are you beat down by anxiety or doubt Do you long for something more in your life of faith Let go of your burden Take a deep breath And let s explore what it means to follow Jesus on the adventure of your life an adventure marked by challenge and repentance and difficulty but marked most fundamentally by mutual delight The LORD will take great delight in you he will quiet you by his love he will exult over you with loud singing Zephaniah 3 17 These things I have spoken to you that my joy may be in you and that your joy may be full John 15 11 From the Book *Following*

Jesus isn't supposed to weigh you down it's supposed to make you dance Following Jesus isn't supposed to limit your fun it's supposed to open you up to freedom you have never known before Following Jesus isn't a burden to carry even when you carry your cross to follow Jesus is certainly to know suffering and trouble and dying to self and struggling with doubt but fundamentally following Jesus is about delight Jesus delights in you and Jesus loves it when you feel the same about him That's what following Jesus is all about

**What People Are Saying In Delight** Justin Rossow widens our lens for understanding grace as he explores the delight God has in us and the delight God gives to us The impact will ripple into every area of your spiritual walk Delight brings both lightness and depth to the Scriptures and to our relationships with our Great God HEIDI GOEHMANN author of *Altogether Beautiful A Study of the Song of Songs* Have we lost our sense of delight Today delight seems to be reduced to each person's version of personal happiness Or delight is simply missed altogether because we are too busy and anxious to notice it In a deeply reflective and devotional way Rossow puts delight back on the agenda of the theology of the Christian life Taking us on a biblical journey of discovery around God's vision of delight for us he invites us to receive this gift revel in it and yes delight in it LEOPOLDO A SANCHEZ M author of *Sculptor Spirit Models of Sanctification from Spirit Christology* I have spent a great deal of my life believing in my head that Jesus loved me yet living practically as if I were always on the verge of being in big trouble This book offers a refreshing biblical vision of how to live a life captivated and covered by the love of God Even more astonishing is the discovery of a God who is full of delight JAMIE WIECHMAN cofounder of *Breathe Life Ministries*

**Loving God** Matthew McDill, 2018-01-04 Today our churches are full of Christians who are starved for discipleship Christians who are serious about following Jesus but don't know where to start Discipleship is when a Christian helps others learn how to follow Jesus Christ **Loving God A Practical Handbook for Discipleship** is a valuable resource for your discipleship relationships If you have not been taught and led through the basic principles and disciplines of the Christian life this book is a great place to start You may be a parent who wants to know how to disciple your children You may be a parent or friend looking for a practical resource as you help others on their spiritual journey **Loving God** can equip you to be an effective mentor as you help others follow Jesus Its easy to read chapters discuss the following subjects in detail Finding your purpose Giving it all to God Spending time with God Learning to pray Understanding God's Word Living in victory Ministering to others Living in community Discerning God's will Each chapter includes discussion questions a summary of the main ideas recommendations for further reading and practical tools you can return to again and again as you follow Christ and mentor others

**Black Belt Discipleship** Gino Mingo, 2021-03-01 Jesus was undeniably clear when He commissioned His followers to go make not talk about not philosophize about but to actually make not only disciples but also disciple makers Have you ever wondered how you can live out that commission What does it look like As you engage Jesus model of discipleship laid out in this book you will discover the depth and impact of discipleship Jesus modeled for every believer It may have been a struggle to this point but **Black Belt Discipleship** is about making the

Great Commission second nature Why struggle any longer to fulfill your greatest calling Step Into The Dojo *Home Discipleship* Kimberly Williams, 2013-07-19 A generation ago the homeschooling movement was considered to be at best cutting edge eccentric and alternative At its worst it was considered strange rare and in some states illegal But today the homeschooling movement has become more main stream Currently with over 2 million home educated children it may well be the fastest growing form of education in the United States There are many reasons parents take on the responsibility to educate their children at home but often at the top of the list are religious or moral reasons With the tearing down of Christian values in our society it is understandable why parents want to bring their children back home Christians are waking up to the fact that education is not amoral The education that a child receives will shape their life in all forms But now we see many of these same children raised in the faith walking away at alarming rates Years of surveys are confirming this Church leaders and denominations are beginning to speak out Multiple books on the subject are surfacing And statistic after statistic is verifying the same ugly picture We are losing our children and homeschool families are not immune to this crisis What is the answer The answer does not lie within the halls of government nor does it necessarily lie within the church The answer to this problem can be found in God's Word and the solution rest with the parents Home Discipleship is the key But sadly disciple making in the home is often thought of last and at times not at all For some reason we think that if we are believers our children will automatically come to Christ and follow His ways This book is about the discipleship process we find all throughout Scripture applied to the home It covers the biblical mandate we have as parents the structure of the Christian home how to keep the proper perspective fundamentals and practicalities of home discipleship and addresses how a homeschooling lifestyle can help parents accomplish this very objective Each chapter includes practical application questions to be used for personal reflection and family discussion
