## **Carmichael Images Of America:**

*Carmichael* Kay Muther,2004-11 The early inhabitants of the Mexican land grant known as Rancho San Juan sprawling alongside the American River could never guess that their humble settlement would someday become a bustling and scenic suburb with some of California s most desirable real estate Yet that is the tale of Carmichael which evolved from an initial 2 000 acre purchase by founder Daniel W Carmichael to the busy section of homes and businesses we know today Showcased in this engaging volume of more than 200 vintage images are many aspects of life in Carmichael from the wide open pastures where roadside stands once offered fruits vegetables and eggs along today s Fair Oaks Boulevard to the 1920s service stations that sprang up along with schools churches and shopping centers to serve the burgeoning population of that era The development of other important aspects of civic life including road construction community educational facilities and shopping centers such as Crestview are explored in these pages as well

**American Dissidents** Kathlyn Gay,2011-12-12 Anarchists civil rights advocates dissidents and political pundits have all played key roles in shaping our nation Examining modern day individuals like WikiLeaker Bradley Manning and conservative video prankster James O Keefe as well as those of prior decades like Cesar Chavez this book profiles controversial figures across history The two volume *American Dissidents An Encyclopedia of Activists Subversives and Prisoners of Conscience* is a work that is as interesting as it is important spotlighting men and women who are heroes to some outlaws and villains to others The 150 individuals profiled in this encyclopedia represent diverse ethnic racial and religious backgrounds as well as various movements and ideologies They are authors anarchists civil rights advocates communists entertainers environmentalists government officials labor organizers libertarians military personnel pacifists political activists from the left and right religious leaders and suffragettes all of whom have labored to change the social economic and political landscapes of the United States Each of the profiles of 2 000 words or more offers not only biographical data but also information to help readers place the individuals within the context of events that surrounded and influenced their activities Because objectivity is a key consideration of the work entries include both praise and criticism
